ANNOUNCEMENTS.

REPUBLICAN.

FOR SHERIFF.

We are hereby authorized to announce Ed ward G. Reed of Pontiac, as a candidate for Sheriff of Livingston County, Illinois, subject to decision of the Republican county convention.

It was genuine small pox that broke out at the poor farm at Morris. The state board of health has taken charge of the matter and has quarantined the farm.

William Burrell, who lives south of this city in Livingston county, is being much talked about as a candidate for sheriff of Livingston county.

When an editor makes a mistake in his paper all the world sees it and calls him a liar. When a private citizen makes a mistake nobody knows it except a few friends.

Bill Nye says: "A man may use a wart on the back of his neck for a collar button; ride on the back coach of a railroad train to save the interest on his money until the conductor comes around; stop his watch at night to save the wear and tear; leave his "I" or "U" without dot or cross to save ink; pasture his mother's grave to save corn; but a man of this kind is a gentleman and a scholar compared to a fellow who will take a newspaper two or three years, and when asked to pay for it, puts it in the office and has it marked "refused."

A practice common to country post-offices, says the Edwardsville Intelligencer, is for the persons who have boxes to try their key in other peoples boxes, to see if it fits or if the box is locked. Few know that in doing this they lay themselves liable to prosecution and fine.

11th Congressional District.

The Inter Ocean, of Monday, contained a three and a half column article regarding republican politics in the new eleventh congressional district, in which Livingston county is now located, the other counties being Bureau, La Salle and Woodford.

The Inter Ocean has a gentleman out through the state getting pointers in the different districts and he gives many facts regarding the districts and some things that are not facts.

April 12, 1894, is a date long to be remembered by the many who were privileged at that time to be in the lovely home of Mrs. J. C. Lewis, the occasion being the annual reunion of "The Ladies' Benevolent Society," of the Congregational church.

and very popular with the voters of La Salle county. Mr. Means and Mr. Reeves are also good solid republicans and able men.

Among the democrats mentioned are Hon. Andy O'Connor, of La Salle, who is said to be a very popular man, but he is at present a bank examiner in California, and it is not known whether he will return to Illinois.

At the last general election, the eleventh district by counties gave a democratic majority for Cleveland of 1,875. In 1888 the democratic majority was only ninety-nine.

School Election.

The school caucus last Saturday was open to all and the town house was full when the following nominations were made:

For President, 1 yr. Col. R. P. Morgan.

For Members of the Board for 3 yrs.—Mrs. C. M. Baker and Mrs. A. G. Huey.

The ticket is an excellent one and worthy the support of all.

Col. Morgan is now one of the board of trustees of the state university and is probably as well equipped a man as there is in Dwight for this position.

Our readers in Dwight will be pleased to notice that our people are taking a great interest in our public schools, and it is about time they woke up.

Thursday evening the second caucus was called together, and Frank Bell was made chairman, and J. B. France secretary.

A. Brubaker, John Pettett, W. H. Doty and V. S. Wright were nominated for president.

For members of the board, John Pettett, W. H. Doty, V. S. Wright and Lee Reeder were named.

This makes two good tickets in the field, one of one gentleman and two ladies and one of three gentlemen, and will bring about a good natured contest which will undoubtedly result in improving our schools no matter which ticket is elected.

A Pleasant Evening.

April 12, 1894, is a date long to be remembered by the many who were privileged at that time to be in the lovely home of Mrs. J. C. Lewis, the occasion being the annual reunion of "The Ladies' Benevolent Society," of the Congregational church.

As we look back to that evening, before our mind's eye, as in panoramic order float dainty cups of delicious coffee, melting rolls, appetizing salads, and such cakes, creams and ices as serve to gratify the palate of an epicure.

Some longing for the things behind, we turned our faces toward the parlors and what was our surprise to find them crowded with new guests, of whose presence we never dreamed.

ONE WHO WAS THERE.

School Notes.

Miss Cora Baker has been in Chicago this week undergoing treatment for her eyes. The school is pleased to learn that the treatment promises to be successful.

Mr. Estes Buck kindly consented to assist our organist Thursday morning, by playing "Home, Sweet Home," but somehow his efforts were not appreciated.

We noticed in the Odell school items that the school there has very little trouble with tardy pupils, there being practically no tardiness.

On Saturday, April 28, there will be an exhibition given by the east and west schools, at their respective buildings. The exhibit will show the work done by all the departments in 1893-4.

Decoration Day.

Arrangements will be made in Dwight for one of the grandest celebrations of this day that has ever taken place here.

Following are the committees: Post.—Commander Ayling, Comrades Parsons, Williams, Brown and Spellman.

Fox's Circular.

Mr. Fox issued a circular Saturday in which he said it was hardly necessary to reply to the articles issued about him in the STAR and HERALD, and then he proceeded to try to answer them.

He seemed to take great credit for having resided in Dwight for twenty-four years, and having been sober and raised a large family.

His circular didn't get him any votes, and hurt no one but himself.

Married.

Miss Philomena Bachmann and John Worden were married last week at the Catholic church in Odell, before a large number of friends.

Lecture.

Rev. R. Wilhelmson will lecture in the Danish M. E. church Saturday evening, April 28, in English. His subject will be "The Solar System" and will be very interesting to all.

Bucklen's Arnica Salve.

The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required.

Anyone wishing a scholarship in a first-class seminary will learn of something of interest by calling at this office.

Presbyterian General Assembly at Saratoga, N. Y., May 17th. Delegates to this assembly will consider their interests by taking one of the fast through trains on the Nickel Plate Road from Chicago.

The Offer of
