Marvelous Results.

From a letter written by Rev. J. Gundersman, of Gimondale, Mich., we are permitted to take this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding la grippe. Terrible paroxysms of coughing would last for hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery: It was quick in its work and highly satisfactory in results." Trial bottles free at Barr & Davis, Dwight, Augustine & Son, Rockville, and Smith & Melhuish, Gardner. Regular size 50c, and \$1.00.

Here's the Idea

Of the Non-pull-out Bow The great watch saver. Saves the watch from thieves and falls—cannot be pulled off the case—costs nothing extra.

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

Can only be had with cases stamped with this trade mark. Jas. Boss Filled Watch Cases are now fitted with this great bow (ring). They look and wear like solid gold cases. Cost only about half as much, and are guaranteed for twenty years. Sold only through watch dealers. Remember the name

Non-pull-out Keystone Watch Case Co., PHILADELPHIA.

The secretary of the Elkhart Carriage and Harness Mfg. Co., of Elkhart, Ind., informs us that their prices will be lower for 1894 than ever. He wishes us to ask our readers not to purchase anything in the line of carriages, wagons, bicycles or harness until they have sent 4 cents in stamps to pay postage on their 112 page catalogue. We advise the readers of this paper to remember his suggestion.
