

Call for State Convention to be held in Bloomington, June 13 and 14, 1894.

Every "Graduate" in the State Invited to Attend.

Pursuant to instructions from the State convention, held in Dwight, Illinois, last June, the Executive Committees, in whose hands the matter of time was left, has seen fit to call the second annual convention of Keeley Leagues and Auxiliaries of the State of Illinois, at

BLOOMINGTON, ILLINOIS, TUESDAY AND WEDNESDAY, JUNE 13 AND 14, 1894.

The matter of representation was recently decided at a meeting of the executive board of the Keeley League to be the same as last year, Five (5) Delegates from each league in the State. The matter of alternates, as to whether they shall be the same number as the delegates, is left with the local leagues.

The matter of delegates from auxiliaries was recently decided to be the same as last year, Two (2) delegates for every 50 members, and One (1) additional delegate for each major fraction of twenty-five.

All temperance organizations are invited to send delegations. Such delegations will be entitled to seats in the Convention, except at executive sessions, but will not be entitled to vote or take part in the proceedings, except by a unanimous vote of the regular delegates.

The Keeley Leagues and Auxiliaries of the state are especially requested to send delegates to this Convention as business of great importance to every "Graduate" and Auxiliary lady will come before the meeting.

The Executive Boards would most emphatically request all Leagues and Auxiliaries not holding regular meetings to wake up and arouse the interest and not let organizations which mean so much to the unsaved inebriate and his wife, family and friends go by default.

Please answer this call immediately and let the committee know exactly your condition and if you need assistance we will try and assist you to strengthen your organization. Also advise us by return mail as to whether your organization will send delegates or not. This is a positive necessity so as to instruct the local orders at Bloomington as to how many to expect.

The local orders at Bloomington have already engaged a roomy hall and will make arrangements for cheap rates at hotels, and the Executive Committees are in correspondence regarding rates on all railroads. The committees will furnish further information as soon as possible.

Please let the chairman of each committee hear from your organization as soon as possible. Don't delay.

Address all letters regarding Leagues to Wm. G. Dustin, Dwight, Illinois, and all letters regarding Auxiliaries to Mrs. I. N. Ives, Bloomington, Illinois. All information received will be promptly reported to the local committees at Bloomington.
