Memorial Day service was held in the Baptist church. The church was elegantly decorated with flowers. The sermon was given by Rev. Wilson of the Presbyterian church and was a beautiful address on our fallen heroes who fought and died for our country's sake.
The M. E. Social given at the home of G. E. Govey last Wednesday evening, was well attended and all enjoyed themselves in fine shape. The net proceeds were something over \$10 for the evening.
O. C. Minor, of Fowler, Ind., was in town Saturday and Sunday Oscar and family returned to Fowler Monday, where they will make their future home. Mr. Minor has been agent for the K. & S here for about nine years and

will be missed by his many friends, while Gardner loses a good citizen, Fowler will gain one. We join his many friends in wishing him and his family much success in their new home. Geo. Cumming will take Mr. Minor's place and give good satisfaction as he is a good agent and a fine young man.
Decoration Day services were held at the Baptist church Wednesday, and were conducted by Rev. Morgan of the M. E. church. The church was beautifully decorated with flowers and pictures of our different presidents. Church was crowded and there were as many outside as there was in. They formed in line at the W. R. C. hall about one o'clock and marched through the principal streets and then to the church, where all listened to one of the finest sermons that was ever delivered in our town. The eleven little girls that decorated the graves of the unknown dead very prettily and there cannot be too much said for the way the children of our country show their patriotism to the old soldiers and fallen heroes.

There came to the home of Mr. and Mrs. J. A. Sawyer on last Saturday, a fine boy, who will doubtless make things lively. Every body thinks he looks just like his pa.
The miners hereabouts are very contented and seemingly happy, amusing themselves with base ball and other sports on the commons while their more boisterous brothers in the South are frightening the militia.
A base ball team came over from Coal City Monday and had a game with our boys. It was not so very professional but they all enjoyed themselves and the score was 28 to 22 in favor of Braceville.
The Board of Education held their regular meeting last Saturday evening and adjourned till Monday evening, at which time they completed arrangements for the work on next year. We will give more next week.
A social is booked for here next Thursday evening at the home of Mr. and Mrs. E. D. Scott. The entertainment will be conducted by the young people of the M. E. church, and should be well attended.
The M. E. church was crowded last Sunday evening with patriotic citizens who had come out to hear Rev. A. M. Conard's Memorial address which was a very able production, and delighted and instructed all who heard it. Mr. Conard is not a "spread eagle" declaimer but he is an orator, and he was at his best last Sunday evening. While paying a worthy tribute to the memory of the patriot dead, he stopped to lift the

curtain of the future and take an honest candid view of our situation and, with none of the bitter, pessimistic views, which shorten sight and destroy faith, he pointed to brighter days.
Memorial day was beautifully observed in Braceville. Everything in the way of business was suspended, most of the stores were closed all day and the town wore its red, white and blue. The exercises commenced at one o'clock. A line of march formed at the opera house, led by the Braceville band and composed of citizens, members of secret societies and other organizations and pupils and teachers of the public schools. The line of march led first to the Braceville and Gardner cemetery, then to the Cotten cemetery, from there back to the opera house, where a large crowd had assembled and all listened to appropriate services. The feature of the day was the address by Rev. G. W. L. Smith which was very appropriate and eagerly looked forward to. Great credit is due to R. W. Poston as officer of the day, for his excellent management of affairs and the successful carrying out of the undertaking. There is lots of patriotism in Braceville.

SEASON OF 1894.

For this season I will stand the following Horses:

- The celebrated English Draft
- "Royal Tom,"
- The Pure-bred Clyde
- "Lord Aberdeen,"
- The superb Driving Horses.
- "Duke of Mammoth"
- and
- "Pip Wilkes,"

on the following terms

ROYAL TOM, to insure	\$10 00
LORD ABERDEEN, to insure	8 00
DUKE OF MAMMONT, to insure	12 00
PIP WILKES, to insure	15 00

The last named is my purchase of a year ago, by Gambetta Wilkes, he by George Wilkes; dam by Gill's Vermont sire of Kentucky Whip. PIP WILKES is a jet black, and the handsomest horse in four counties. He trots a road gait, and his speeding gait is a pace. With but little handling he has paced a mile in 2:35. I have two men who do nothing else but take care of these horses, and if you want to use them I will send the horses to your house or send for the mares. By dropping me a postal card your needs will have prompt attention, and you cannot find anywhere a superior string of Horses to breed to for draft or driving.
