Rev. Hart, of Joliet, preached in the M. E. church last Sabbath to a good congregation. Mr. Hart is one of our former pastors and is highly esteemed by all. He is about seventy-five years of age, and it is more than probable those who heard him last Sunday did so for the last time.

Mrs. Germaine, her son Guy and daughter Mrs. H. B. Gould, of Morris, attended the commencement exercises of the North Western University at the Auditorium in Chicago, Thursday evening, where Mrs. Germain's daughter, Miss Grace, graduated. From there Miss Grace and Mrs. H. B. Gould went to Beloit, Wis. to visit their sister, Mrs. Geo. Wilkinson.

The correspondent to the Sentinel must have ridden a kicking mule when he carried his "Gardner Grist" to mill last week. Beside kicking at the school board for doing what in their judgment was best for our schools, the "grist" man kicks at everything in sight but hits nothing except himself. No one has anything but good to say of our schools in the past and no one with an ounce of brains would predict anything bad for the future until he knew what he was talking about. The "Grist" man says that "If the correspondent writes anything untrue the proprietor of the paper is at liberty to give his name." The proprietor is at perfect liberty to keep the name. No one cares for it.

Word was received this week from Wm. Norris who is now, with his wife, visiting their old home in England. Mrs. Norris, who has been quite sick, is now better and they are both enjoying their visit.

The TRIBUNE issued last week notices regarding the decree of the village fathers regarding dogs and other animals running at large during the summer. These notices are posted about town, and should be read by all.

A certain bow-legged member of our city council, after reading a borrowed copy of the TRIBUNE last Saturday, expressed a desire to catch and, perhaps, pound the head of the editor, for the remorseless way in which he ripped the board up the back by exposing the little "gift enterprise." It was a shame to divulge their little scheme ere it had fairly opened, its too bad the council can't meet and do a little business with a Joliet paper without having its work exposed in that way, but gentlemen, you forget that we only did what you have agreed to give the News $45 for doing, we published your "proceedings!" and we intend to do the same in the future, whenever you make any more of those wild breaks. The public exchequer of this village needs a guardian and we shall endeavor to secure one in order that the tax-payers (the people who pay for these extravagant moves) shall not be robbed of their substance by the village boodlers. Be it remembered that president Milner and clerk Suffern opposed the expenditure and did all they could to hold the board down to an honest and economical administration. So far as our "exposing" is concerned, there is only one way to avoid that, and that is for the board to hold itself within the bounds of reason, for how can we help noticing and commenting upon such extraordinary spludges as the board made at its last session? We did not charge anything for it.

Pontiac Pick-ups.

Major General Coe is right in it.

Pontiac has a good steady growth. The new shoe factory will be the means of bringing quite a number of new residents here.

We had forgotten to mention that our popular banker, Mr. Morrow, is now Col. Jas. Morrow, chief of staff of Department Commander McDowell.

Department Commander McDowell was in Pittsburgh, Pa., last week, making arrangements for the Illinois delegation to the National encampment in August.

Mr. and Mrs. George Torrence celebrated their silver wedding last week Saturday evening. The friends of this worthy couple, from all over the county, extend congratulations and wish them many happy returns.

The new democratic postmaster has kicked up a row in Pontiac before taking possession of the office. It seems he went to Odell for an assistant, hiring a very nice and competent young lady, Miss Cleary. But there were several young ladies of Pontiac, belonging to democratic families, who were perfectly competent and needed the job, but Doc. Pierson, we understand, said he was not running an alms house. Doc. has got pretty high toned since he walked into town.

Union.

J. W. Grimes, of Pontiac, visited friends here the first of the week.

Chas. Leonard and son are able to be out after a severe attack of pneumonia.

J. A. Jones and wife visited friends in the north part of the town last week.

Ben Thompson, of Round Grove, called on the family of Mr. A. Marshall Monday.

Quite a number from here attended the dedication of the new Catholic church in Campus Wednesday.

The Gospel temperance meeting was not very well attended, owing to the inclemency of the weather.

Dr. Scoby, of Kankakee, made a professional call in town last week. What's the reason we can't have a Dr. in town?

Nevada.

The base-ball game was a fizzle.

Miss Sadie Morrisey was in town Wednesday.

Stephen Grennan is helping Joe press straw.

Mrs. Noonan, of LaSalle, is here visiting her aunt.

The mother of Jerry and Patrick Reardon is lying very ill at the residence of the latter. She is a very aged lady.

A melee was held here Monday evening, in which there was much display of pugilistic agility. No bones broken or lives lost, however.

The town is burdened with tramps, ex-miners, etc. One could give away all the grub one has, and still the mob would be displeased.

Goodfarm.

B. Sinclair and family visited in Verona Sunday.

Misses Emma and Mattie Constantine were visiting friends near Odell the past week.

Grandpa and grandma Robinson, of Dwight, spent Sunday with friends in our vicinity.

Miss Mary Kaarup was obliged to leave her work in Dwight and return home on account of sickness.

James Neville is having his new barn painted this week. It is a fine building and will look well in its new coat.

Emington.

The Fourth of July celebration is booming, the band is fast getting in time and "Coxey's Army" bids fair to be a great success.

Our town well is a reality. The town board has ordered a windmill and we hope the public sentiment of this community will compel them to put in a good tank and hose for fire protection.

The fellowship meeting of the Congregational churches of Odell and Dwight with our church was a grand success. The meeting opened with an eloquent sermon by Rev. E. F. Wright, of Dwight, on "Christian Consecration." This sounded the key note of the whole meeting. On Wednesday morning Prof. Allen's address on "Normal Methods in Sunday school work," stirred up a good deal of discussion, which broke out after Mrs. McWilliams' address on "Women's Work in the Church." Both topics aroused a deep interest. The afternoon topics, on "Institutional Church Work," were well discussed. Revs. W. A. Cutler and I. J. Swanson led the discussion. The evening program, a discussion of "Why Should the Boys of the Country seek a Higher Education," led by Prof. Alden, followed by Mr. Cutler. The closing topic, "The Essential Condition of Success in Church Work," was ably discussed by Rev. E. F. Wright. All were well satisfied with the exercises and felt spritually blessed.

Populists Make a Ticket.

The populists of Grundy county held a convention in the court house at Morris, Saturday afternoon, June 9, this being the first populist convention ever held in Grundy county.

There were thirty-one delegates present, chiefly miners. Albert M Broad, of Coal City, was elected chairman, and J. Mulvey, of Suffernville, secretary. Committees on resolutions and credentials were appointed and other business transacted. The following nominations were made: For county judge, Albert Smith, Coal City; county clerk, Lewis Rees, Coal City; county treasurer, Martin Burella, Carbon Hill; sheriff, Jas. Hickey, Diamond; representative to the state legislatures, Wm. E. Smith; state senator, Robt. M. Reas.

The secretary of the Elkhart Carriage and Harness Mfg. Co., of Elkhart, Ind. informs us that their prices will be lower for 1894 than ever. He wishes us to ask our readers not to purchase anything in the line of carriages, wagons, bicycles or harness until they have sent 4 cents in stamps to pay postage on their 112 page catalogue. We advise the readers of this paper to remember his suggestion.

If any one has a little surplus to invest each month they can do no better than to carry a little building association stock. Inquire at this office.
