## KEELEY LEAGUE NEWS.

The lecture hall having been finished, the lectures by the staff physicians will be continued as usual. These lectures are very helpful.

The lecture room of the Keeley League has been recently re-painted and presents a handsome appearance, and now entertainments will be held regularly.

The patients and all others interested are requested not to forget the Sunday morning song service at the club, commencing at 9:30 o'clock and lasting one hour. A general invitation is extended to everyone to attend.

The new League headquarters when finished will be the finest in the country. Work is progressing rapidly now and when finished it is proposed to give some kind of a festival and entertainment for the benefit of the League.

Every man who takes the Keeley treatment should join the League. A membership always proves a great help, not only while taking treatment but afterwards. It costs but a dollar and members are given stationery and all the privileges.

The following officers were elected Tuesday: President, James F. Butler, St. Louis; First Vice-President, John H. Wagner, Water Valley, Miss.; Second Vice-President, W. A. Ware, Kansas City, Mo. B. H. Rayner, of Princeton, Ill., was appointed Sergeant-at-Arms for the ensuing term.

The club entertainment hall that has been in the hands of the painters has been finished, and the meetings are again being held in the room. The entertainment committee appointed this week will make a special effort to give an excellent entertainment next Tuesday evening to which everyone is invited.
