**KEELEY LEAGUE NEWS.**

The Sunday morning services were quite well attended. Rev. Wright was present and gave the boys an interesting talk.

President John H. Horne made the boys a splendid speech after his election Tuesday morning, and was warmly applauded at its close.

W. A. Waters, bookkeeper at the laboratory, went to Chicago Wednesday afternoon for a ten days vacation, the most of which will be passed on Lake Michigan in an endeavor to keep cool.

Secretary Brown is now occupying Room 2 in the new club house where he will be pleased at all times to receive the patients sojourning in Dwight. The reading and writing rooms of the club are in the large front rooms of the building.

G. L. Hubbard, wife, mother and little ones drove over from Emington on Sunday. They visited the Keeley League rooms and picniced on the grounds. Mr. Hubbard is a graduate of two years' standing and believes in the cure every time.

Dr. Henry, of Everett, Pa., who was in line at Dwight in June, '93, arrived Monday with a friend who he placed in line for treatment. Dr. Henry was present at the meeting Tuesday, and by request made the boys an excellent speech of encouragement.

The following officers were elected Tuesday morning: President, John H. Horne, Cairo, Ill.; First Vice Pres., C. B. Detrick, Chicago; Sec. Vice Pres., A. P. Russell, Chicago; John B. Ligon, of Jackson, Miss., was appointed sergeant at arms for the coming term by President Horne.

The club is peculiarly fortunate at present in having as members a number of excellent performers upon the piano, mandolin, guitar, flute and violin. There are several first-class vocalists also, and the entertainment given during their stay may be looked forward to with pleasure.

Secretary Willard S. Brown went to Chicago Thursday, and from there to Bloomington, Ind., where his wife has been visiting her father for the past three weeks. Next Monday being the first anniversary of the marriage of Mr. and Mrs. Brown, the event will be duly celebrated at Bloomington and on Wednesday they will return to Dwight.

Miss F. Madge Owen, who has played the piano for about a year, at the Sunday morning song service of the club tendered her resignation at the Wednesday meeting, on account of the removal of the family from Dwight. The resignation was accepted by the club with great regret, as the members deeply appreciate the services of Miss Owen. A committee was appointed by the president to draw up suitable resolutions and present them to Miss Owen, and Sunday morning at the last song service she will be able to attend before her departure, she will be presented with a suitable testimonial of some kind by the club. A general invitation is extended to every patient in Dwight, whether a club member or not, to attend this song service, also the regular meetings of the club each morning during the week at 9 o'clock.

The club entertainment given Tuesday evening was attended by a large audience and an excellent programme was rendered. The songs and flute solos by John B. Ligon, of Jackson Miss., were exceptionally well rendered and the audience gave him round after round of applause. The piano playing by Wm. Conrad Polla, of Chicago, who came here at the request of a friend in line, delighted everyone and he was honored with several enthusiastic encores. Misses Lizzie Winkler and Addie Fenn each sang a beautiful solo in a creditable manner, and in fact, every number on the program was good, but our space is too limited to mention each individual performer. Take it all in all, it was one of the best club entertainments given in a long time and too much praise cannot be awarded the entertainment committee for their efforts to make it a success. President John H. Horne presided with much grace and dignity and during the evening made the club a splendid and forcible address that was highly appreciated by the large audience.

**Auxiliary Notes.**  
The next meeting will be held at the residence of Mrs. Dr. Barr, next Wednesday evening.

The meeting Wednesday evening was held at Mrs. W. T. Prime's and was largely attended. Mrs. Prime served pineapple sherbet and cake, and received the hearty thanks of all present.

The auxiliary will give a picnic this (Saturday) evening, on the lawn of Mrs. Watkins, as a farewell to Mrs. Owen and daughters who will leave next Tuesday. Every member of the auxiliary and families are invited.

**Here's the Idea**  
Of the Non-pull-out Bow  
The great watch saver. Saves the watch from thieves and falls—cannot be pulled off the case—costs nothing extra.

The bow has a groove on each end. A collar runs down inside the pendant (external) and fits into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

Can only be had with cases stamped with this trade mark.  
**Jas. Boss Filled Watch Cases** are now fitted with this great bow (ring). They look and wear like solid gold cases. Cost only about half as much, and are guaranteed for twenty years. Sold only through watch dealers. Remember the name.
