Pleasant Presentation.

The song service at the club house was attended with unusual ceremony on Sunday last. It being the last Sunday prior to the departure of Miss Madge Owen, the pianist, for her new home, the members had arranged to present her with a memorial expressive of the appreciation of her valued service in the past year.

Just before the close of the service, Judge O. W. Powers, of Salt Lake City, Neb., in behalf of the club members, expressed regret at her departure and with appropriate sentiment bade her God speed in her new home, after reading the adopted resolutions to that effect. He, in behalf of the club, presented her with a club pin and envelope containing \$12 in money. Miss Owen was taken somewhat by surprise and could only say "Thank you," but her eyes expressed to those present more than words can express. The following is a copy of the resolutions:

WHEREAS, Miss F. Madge Owen, who for the past year has acted as pianist for Keeley League No. 1, at the Sunday morning song services, and has thereby placed the members of said League under deep obligations; and

WHEREAS, Her services have been freely given without thought of compensation, or any other reward, then the consciousness that she thereby added to the pleasure and entertainment of the patients in attendance at The Keeley Institute; and

WHEREAS, We, the members of Keeley League No. 1, have learned with regret that she is about to remove to Springfield, Mo., therefore be,

RESOLVED, That we hereby tender to Miss Owen, not only the heartfelt and sincere thanks of all who are now present, but knowing the esteem in which she is held by all with whom she has come in contact, we render thanks to her also in behalf of those absent.

RESOLVED, That we trust that her new home may be congenial and pleasant; and that all her days may be brightened by the recollections of her unselfish efforts in behalf of others.

RESOLVED, That in saying good-bye, we also wish her Godspeed and a long life filled to the brim with happiness.

JOHN H. HORNE, Pres.

WM. BLACK, JOHN MONAHAN, COM. GEO. J. DEAN.

ton. A very pleasant and profitable evening was spent and all present enjoyed themselves.

If a dark skinned man is noticed betting large sums of money on the Ottawa races to-day, the people may know it is C. Y. Trice, late of Kansas. Mr. Trice says he was not always so dark, but being raised in Missouri before the time of the railroads, and having to raise everything they had to eat, he absorbed large quantities of sorghum molasses and it is beginning to work out on him. He may belarge and dark but he is awful sweet.—Streator Free Press.
