## KEELEY LEAGUE NEWS.

### COLORADO SPRINGS.

**Mafor Harry Insley Writes a Characteristic Letter.**

Every Keeley graduate and others interested in the grand work of educating the young for temperance and saving the fallen, and in practical, honest reform, should read the following letter from Major Harry Insley, and find out what the great silver state offers to those who attend the National Convention Keeley Leagues next month.

COLORADO SPRINGS, COLO., August 10.

CAPTAIN W. G. DUSTIN, Dwight, Illinois.—My dear Captain: I have postponed answering your very welcome letter so that I could write news when I did answer.

Such a grand annual convention as we shall have, beginning Tuesday morning, September 11, has never been held on the face of the earth.

News comes that four bands at least, will delight us with their music.

Colorado will attend the League and Auxiliary conventions 1000 strong.

I have never seen such interest taken Two large leagues at least will attend with every single member present.

We shall have our state convention Monday the 10th at 2 p. m. to elect delegates and alternates at large to the national convention.

Already our new Colseum building is climbing skyward. It will seat thousands and will be done in plenty of time.

Tuesday evening Dr. Leslie E. Keeley will make his address. Wednesday evening the ladies will have charge. Thursday evening we will have a grand experience meeting. Friday we shall visit the Grand Caverns, the Cave of the Winds, the Gardens of the Gods, Glen Eyrie, the Cheyenne Canons, the Seven Falls, Manitou, and drink of the many famous waters.

Friday evening we shall have a concert at the Broadmor Casino by Dion de Romandy's Hungarian Orchestra, also a ball at the Coliseum.

The boys with their ladies can take their choice.

Saturday we will visit Cripple Creek, the greatest gold mining camp on earth, and see them take out the gold.

Sunday the delegates can rest.

Monday we go to Denver, the Queen City of the Plains, and are entertained by the Denver Keeley League No. 2, and the Chamber of Commerce.

Next comes fishing and hunting trips galore for all who like that sport. We shall also have a trip around the loop arranged.

Now, Brother Dustin, I have told you of part of what we expect to do. In the meantime we shall organize a dozen or two more red hot Keeley Leagues and I promise you and every Keeley graduate, his wife, and every member of the auxiliaries who attend the two conventions the jolliest and the grandest time they ever had.

Colorado proposes to let the Keeley world know where the greatest state in the union is located.

The convention will be welcomed by a state officer who is a Keeley graduate and president of our state organization, Judge H. T. Sale.

We Colorado boys are in favor of a ritual for the league. Such ritual can and should have the approval of every protestant minister and Catholic priest.

Pensonally I am in favor of three degrees The first to be given by an institute league, the second to be given by a league apart from our institute after a man has graduated six months. The third degree to be given after a man has graduated over a year. For a man who lives in a town where there is but the institute league an emergency league can be organized at any time to give the second and third degrees.

What do you think of this? Why not ask the Illinois boys to tell what they think, adding many better suggestions through the columns of your valued paper.

Wake up, brother Brown; what have you to say?

Let us hear from some of the old wheel horses.

What is the matter with the many new men.

Start the ball rolling and let us hear a response from every state in the Union.

What does Capt. Jacobs of Australia have to say? What is the matter with Canada? She's all right.

Yours for a rouser,

HARRY E. INSLEY,
Class of August, '91, Dwight.

P. S.—Did you ever hear the Colorado Keeley yell? Col. Brown of old Mississippi is not in it.

The officers elected Tuesday are as follows: President, C. C. Robinson, of Toronto, Ont.; First Vice President, Wm. G. Talbot, of Chicago; Second Vice President, John Monohan, Charlotte, Iowa. E. F. Herndon, of Shannon, Ky., was appointed Sergeant-at-Arms.

The morning meetings are well attended and are full of interest to every patient in line.

A live hustling committee has the next club entertainment in hand and it gives promise of being a good one.

Do not fail to attend the song service Sunday morning. Everyone cordially invited whether they are members of the club or not.

Judge W. S. Arnold made one of his eloquent and convincing talks to the club last Friday morning, which was the third anniversary of his graduation at Dwight.

The song service Sunday morning was unusually well attended and the exercises were full of interest to all. Excellent addresses were made by Hubbard, of Ohio, and Col. Nate A. Reed, Jr., editor of the Banner of Gold Chicago; who was present as a visitor

Chas. E. Blair, of Alexandria, Mo., who graduated in the December '92 class brought his third patient here last week and Monday morning upon invitation of the club he made an excellent address that was filled with words of encourgement for the new patients.

One of the best presiding officers the club has ever had was Judge O. W. Powers, of Salt Lake City, Utah, whose term as president expired last Tuesday, add during his term of office almost every patient in line was enrolled as a club member, which fact alone speaks volumes for the popularity of Judge Powers.

Ex-president O. W. Powers, of Salt Lake City, Utah, delivered a very interesting, instructive and eloquent address at the club house Thursday morning, his subject being "The Rocky Mountain district and the territory of Utah." The room was crowded with an appreciative audience, who all felt well repaid for their attendance.
