KEELEY LEAGUE NEWS.

Dr. S. B. Richards, of Patricksburg, Ind., addressed the club last Saturday.

Mrs. Willard S. Brown received the unanimous vote of the League for the position of Sunday pianist.

The Ladies' Auxiliary has about concluded to pay the expenses of one delegate to Colorado Springs.

Dr. Loneragan who has been stationed at one of the eastern Institutes returned to Dwight Wednesday.

By a unanimous vote of the club, Wednesday it was decided that at the regular weekly entertainment the president of the past week should hereafter occupy the chair.

The following officers were elected Tuesday: President, John B. Ligon, Jackson, Miss.; First Vice Pres., Ed. McMenzie, Lottan, Ill.; Second Vice Pres., Paul Robinson, Morrison, Ill.; S. C. Moore, of Charlston, Ill., was appointed Sargent at Arms.

Hon. Silas W. Moody, of Boise City, Idaho, delivered an address that was very interesting and full of valuable information in regard to the state of his adoption, at the Thursday morning meeting. In reply to a question asked him, he stated that the favorite kinds of whiskey in his country were the "Shepherd's Delight" and "Valley Tan," and that the latter would make a man steal his own clothes.

The exercises at the Sunday morning song service were very pleasant. Mr. Herrick, of Chicago, was present with Mr. Wright, and made a very fine and appropriate talk. He was followed by Judge Powers, of Salt Lake City, who bid the League good-bye. Mr. Powers is a very fine and able gentleman, and his talks during his stay will be long and favorably remembered by those who heard them.

It is quite likely that the only representative of Dwight at Colorado Springs will be Dr. Leslie E. Keeley, the delegates elected, we understand, do not feel financially able to make the trip. The times are hard and money is scarce or hard to get, and such trips are expensive. The state of Illinois and especially Dwight should be represented fully, but under the circumstances, from the present outlook, the state will send only five or six. The movement is a grand one and it is too bad that means cannot be secured for a large attendance. The hearts are willing and anxious but the pocket books of most of the men and women in the movement, are light.

Club Entertainment.

The club entertainment Tuesday evening was a very pleasant affair. The grounds were beautifully decorated and illuminated with Japanese lanterns. The ladies of the Auxiliary made ice cream and cake, and the club house was thronged with good people of Dwight and gentlemen here for treatment. They all enjoyed a social time.

Early in the evening there was a musical and literary program and afterwards there was music by Mr. and Mrs. Evans, which was enjoyed by a select few.

It was one of the nicest crowds ever assembled in Dwight and it was a very pleasant and formal affair. The people of Dwight are loud in praise of everything that occurred, and the gentlemen under treatment are anxious to assist the league financially, and are thankful for any innocent amusement during their stay here. The reception was very creditable to all concerned, and it would be a good thing to have them repeated often.

WITHOUT THE Non-pull-out BOW (RING)

it is easy to steal or ring watches from the pocket. The thief gets the watch in one hand, the chain in the other and gives a short, quick jerk—the ring slips off the watch stem, and away goes the watch, leaving the victim only the chain.

This idea stopped that little game!
The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.
