Inasmuch as Mrs. Johnson is about to stop keeping transients, Emington is really in need of a hotel. There is an opportunity here for some live man to make money. Our citizens will give a hearty welcome to a square, business-like hotel keeper.

The people of Emington are considerably stirred up over the fact that the Wabash railroad has refused to ship grain except through the hands of Bartlett, Frazier & Co., farmers who wish to ship their grain independently cannot obtain the cars to do so. The Wabash Co. claim that the city elevators will not unload the cars while the elevator companies claim that it is impossible to switch the cars where they want them. Is this a connivance between the Board of Trade and the railroads to shove up the price of grain? Can it be reached by the inter state commerce act? At the least it is forcing our farming population to do the bidding of the monopolist, and is an injustice that no common carrier should be allowed to perpetrate. If this continues, government control of railroads must come in the near future. May hap the populists are right in this respect.

OBITUARY.
Mr. John Haywood passed quietly away, Thursday morning, Sept. 20.
Mr. Haywood was born in England just 75 years previous to his death. His home was in Saugatuck, Mich., he had been spending a few weeks with his daughter, Mrs. A. Robinson, and had hoped by the change to regain his health. Mr. Haywood has always been a healthy active man, he was a member of the Methodist church and was an energetic Christian worker. Many were wont to turn to him for help and sympathy and he has been the means of starting many in the new life. He died an enthusiastic believer in Jesus Christ, and by his life and Joyous testimony of hope, bears witness that there is a heavenly reward in store for him. He leaves a wife, two sons and three daughters to mourn his loss. One of his sons is a successful preacher of the Methodist church and the whole family bear the mark of an early Christian training. The friends here extend their heart felt sympathies to the mourning relatives.

The good attendance at the township Sunday School convention attested to the interest of our community in Sunday School work. The program was such as

to keep up a lively interest throughout the day. The first topic "Normal Methods for Sunday School work," was introduced in a forcible manner by Miss Libbie Smith. Mr. Isaac Hodgson gave an informal talk on "How to Increase the Spiritual Effectiveness of the Sunday School." Though reluctant to take the part yet Mr. Hodgson showed himself equal to the topic and gave us all a renewed spiritual impulse. The pastor and Rev. D. R. Grover made some suggestive remarks on the topics. In the afternoon Miss Mable Thompson read a nicely written paper on "The Teacher's Influence." Miss Emma Farring told of the work of the Broughton school, and the Rev. D. R. Grover read a live paper on "How to Increase the Sunday School Collection." The evening service was the best of all. The house was full, the singing was good, and Rev. D. R. Grover gave a rousing temperance lecture. Some said it was the best they had ever heard. Mr. Grover is a forcible yet pleasing speaker. We wish him and his cause well. The meeting closed with "Coronation" and the benediction.

Miss Barker is from the Wesleyan Conservatory at Bloomington, and has marked ability, both as a performer and teacher. Anyone wishing to take work in this line will do well to make arrangements with her.

Quite an excitement was stirred up here by a lawsuit, conducted before Squire Stead, in Squire Watkins' office. The case was John Seller vs. Andrew Gustentine, both of Coal City. About thirty witnesses were present from Coal City. Attorney Mooney, of Braidwood, conducted the case for the plaintiff and attorney McNaughton fought the case for the defendant.

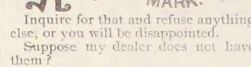

THAT'S QUEER!

You say a collar and cuff that are waterproof?
Yes.
And perspiration will not affect them?
Yes.
And when dirty you need only wipe them off with a wet cloth or sponge?
Yes.

Wonderful! How are they made?
A linen collar covered on both sides with waterproof "CELLULOID." Looks exactly like a linen collar.
Is it the only waterproof collar and cuff made?
No, but it is the only one made with the linen interlining and consequently the only one that can give entire satisfaction, because it is the best.

How can I know that I get the right kind?
Because every piece is stamped as follows:

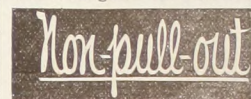

Inquire for that and refuse anything else, or you will be disappointed.
Suppose my dealer does not have them?
He probably has, but if not, send direct to us, enclosing amount. Collars 25c., Cuffs 50c. State size, and whether collar wanted is stand-up or turned-down.
