It would be a good thing if one of our liberally disposed people or the village authorities would keep our two pretty little parks in some kind of shape before expending anything on a larger one. They need flowers, rustic seats cut with a lawn mower, and other improvements.

Lost, strayed or stolen—a good big pumpkin, between Flagler's lumber office and corner Mazon ave. and Washington street. Last seen on the shoulder of a lady going west on Chippewa street, (the lady was going west too.) Any information regarding the whereabouts of this pumpkin will be rewarded by pumpkin pie.

John Chinaman, the laundry man in the Hagerty block got fighting mad last Saturday. A stranger in town went there after his washing and commenced to chaff John about the war in the old country, and told him the Japs were too much for them. Hoop Lung must have taken the visitor for a Jap in disguise, for he jumped up and clapped his wooden shoes together and remarked: "Hoop la Japa no good," and Lung and his partner proceeded to fire the customer in Chinatown style. This is the first decisive victory for the Chinese since the war commenced.

He's All Right.
We are informed by a prominent citizen of Dwight that Col. J. B. Parsons, our candidate for county treasurer, will receive a splendid endorsement from that section of the county. The people from that quarter know from his long residence among them of his business integrity and general qualifications for the office for which he is nominated. We judge from the reports coming to us from all parts of the county that his popularity is not confined to any locality, and that his majority will be something of a landslide.—Pontiac Sentinel.

Wright will preach next Sunday (to-morrow) at same time and place—3 p. m.

A Correction.
We made a mistake in the name of the father and mother of the little girl baby at the Ferguson home, near Campus, last week. It was Mr. and Mrs. Thos. Kennedy instead of Mr. and Mrs. John Kennedy. We understand the baby kicked about the mistake, so we cheerfully make the correction.
