

The club house piano was tuned Thursday.

At the election Tuesday eighty-one votes were polled for the officers.

Owing to the men at work in the club hall a regular meeting could not be held Wednesday.

M. F. Martin, of Midway, Ky. a graduate of Nov. '91, arrived with a nephew whom he placed in line a few days ago.

"Mental Impressions produced by the Alcoholic or Drug Stimulants" was the subject of Dr. Broughton's recent lecture before the club.

John Wolf, of Blue Island, a graduate of fourteen months ago, was present at the meeting Monday and by request made a forcible talk.

G. E. Spickter, of Taylor Ridge, Ill. J. O. Blake and Sam Brenneman, Chicago, all of the Oct. '93 class, were Dwight visitors this week.

Ex-president Samuel P. Butler delivered an excellent farewell address Saturday morning, subject, "The Place of Life." Everyone regretted to see Mr. Butler depart.

A social meeting of the club was held at the treatment hall Wednesday evening at which time Dr. Blaine answered written queries from the patients regarding the treatment, etc.

Henry J. Beer, of Blue Island, Ill., revisited his Alma Mater Sunday. Mr. Beer is a candidate on the Republican ticket for commissioner in Cook county.

Messrs. Frank Sweeney, of Atlantic, Iowa, A. L. Hughes, of Davenport, Iowa, and Jerry McLary, of Chicago, made their parting remarks to the club members Tuesday morning.

The club was addressed Thursday morning by Dr. Page, of Philadelphia, and A. M. Garnett, both old graduates, and H. N. Spratt read an interesting paper entitled, "What Fools we Mortals be."

The following officers were elected Tuesday: President, Mark Morris, Hillsdale, Michigan; 1st vice president, B. F. Sheridan, Chicago; 2nd vice president, A. J. Bennett, Unionville, Mo. W. J. Nicholson, of Fort Riley, Kansas, was appointed sergeant-at-arms, and J. Harris Hogan, of Chicago, poet laureate for the ensuing term.

The first entertainment in the new location of the club was one of the best ever given, and the hall was crowded to the street, there being about 500 people present. The first on the program was a guitar and harpophone duet by Messrs. Howill and Hogan; which was nicely rendered. A select reading from King Henry the Eighth by Mr. Gallighan, an exceptionally fine elocutionist. Messrs. Hogan and Evans gave a very excellent duet on piano and violin. An address by S. T. K. Prime was well received. A solo by Mrs. Howlett was received with great applause and she was obliged to appear the second time. She was accompanied by Miss Cora Adams and Mr. L. Howlett. A recitation "McLain's Child" was very effectively given by Miss Gertie Kayler. The entertainment was excellent. It is quite probable that a small admittance fee will be charged in the future, as the capacity of the hall is not sufficient to accommodate the whole town. At the last entertainment two-thirds of the patients were obliged to stand up, and as the entertainments are gotten up for their amusement this is not exactly right. Neither would it be right to freeze out the town people, as they have been largely instrumental in making the entertainment a success. It is quite probable 10 cents admission may be charged in the future.

Auxiliary.

The attendance was not large at the last Auxiliary meeting. The next meeting will be held at the usual time and place, and business demanding the attendance of every member, will come up. Don't forget to be present.

Nothing in This World

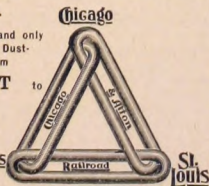

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it.

Prof. J. T. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st.
