 For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner; and Augustine & Son, Braceville, Druggists.  
 Henry Wilson, the postmaster at Welshton, Florida, says he cured a case of diarrhoea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son, Braceville, Druggists.  
 W. A. McGuire, a well known citizen of McKay, Ohio, is of the opinion that there is nothing as good for children troubled with colds or croup as Chamberlain's Cough Remedy. He has used it in his family for several years with the best results and always keeps a bottle of it in the house. After having lagrippe he was himself troubled with a severe cough. He used other remedies without benefit and then concluded to try the children's medicine and to his delight it soon effected a permanent cure. 25 and 50 cent bottles for sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son, Braceville, Druggists.

**School Notes.**  
 Floyd Barnum and Earl Bell, who have been absent, are with us again.  
 We are glad to state that Miss Mable Johnson has resumed her school duties.  
 Mrs. Lewis, Mrs. Watkins, Messrs. Pettett and Miller, of the school board, Misses Mamie Peterson, Iva Martin and Dan Fox were school visitors last week.  
 Thanks to the pupils who suggested re-binding the encyclopedia. The suggestion should be carried out as soon as practicable. Some one suggested a cast iron binding.  
 The means provided for carrying the water from the hydrant seems to be insufficient. It would be well for the school to see that the defect is remedied before cold weather.  
 The Hallow'en fiends left a number of vehicles and other property on the West Side School grounds. Citizens who have lost such articles may find them. We should be pleased to have them removed.  
 On account of Miss Reading's sickness, Monday forenoon, Prof. Meneely took charge of the grammar room, and appointed substitutes to take charge of his classes. It is to the credit of the school to have scholars who are capable of taking charge of the classes in the absence of the teacher.  
 A rare literary treat, consisting of readings by Prof. S. S. Hamill and daughter, of Chicago, two of the best elocutionists in the country will be given under the auspices of Dwight High School, at an early date. Those who have heard Prof. Hamill recognize him as being vastly superior to any so-called elocutionist who ordinarily appears before the public. Watch for the date. No one can afford to miss this entertainment. The proceeds will be used for the benefit of the school libraries.

**Republican County Ticket.**  
 It is Made up of Excellent Men--By Electing Them to Office the People's Interests will be Protected.  
 (PONTIAC SENTINEL.)  
 One week from next Tuesday the voters will be called upon to select, besides state, congressional and legislative officials, five men to fill the important offices of county judge, clerk, treasurer, sheriff and county superintendent of schools. The Republican convention which met July, selected candidates for these important offices, and the gentlemen chosen are each and all abundantly qualified and peculiarly fitted for the offices for which they have been named.  
 The ticket is headed by Charles M. Bariekman for county judge. This is an important office and should be placed in the hands of a competent person, such as the people everywhere fully recognize Bariekman to be. He spent years in fitting himself with a thorough academic and collegiate education, knowing that the foundation for any successful professional life should be a thorough and general knowledge. He graduated with honor to himself and his alma mater, Wesleyan University, and immediately began the study of law. The thorough mental drill he had received enabled him to thoroughly grasp the intricacies of the law, and in due course of time passed a highly creditable examination before the supreme court of the state, and was admitted to practice. Since that time, and for a number of years, he has been in active and successful practice in this city and has proven himself thoroughly competent in all that he has undertaken. That he will prove an honor to himself and the people of the county in the office to which he has been nominated, there is not a shadow of doubt. Having held this office for twenty-one years, the Democracy of the county are making strenuous efforts to still control it, and are imploring Republicans by personal solicitation and circular letters to still place it in their hands. Republicans should properly spare such important offices to those who have held them with honesty, courtesy and carefully conserved. The indications are conclusive that Mr. Bariekman will be the next county judge by a handsome majority.

**CATARHIAL DYSPEPSIA.**

**A Discouraged Invalid Restored to Health and Happiness.**

Catarrh of the stomach causes a condition known as dyspepsia or indigestion. It usually results from catarrh in the throat, but sometimes occurs in people who have never had catarrh elsewhere. The symptoms of dyspepsia are: liver complaint, biliousness, sour stomach, water trash, bloating after eating, constipation, piles, and, in many cases, loss of spirits, dizzy head, sympathetic heart palpitation, pain, indigestion, and looseness of the bowels. Pe-ru-na and Man-a-lin, taken according to directions on the bottle, will cure everyone. The following is a specimen of the letters received from patients:  
 O. S. McQuillan, Spring Hill, Iowa, writes: "Four years ago last fall my stomach, without any previous warning, refused to perform its functions, and I soon lost strength. During this time food was forced through my stomach by using cathartics. With head, waist, away, strength exhausted so that it took all my energy to even get into a bath tub, hopes all gone. I began to take Pe-ru-na and Man-a-lin, following free advice which Dr. Hartman gave me. In a short time I could eat nourishing food, and the piles, kidney trouble and constipation disappeared. Fish, strength and a splendid appetite returned and I went to work."  
 For treatise on catarrh, coughs, colds, consumption, and all climatic diseases of winter, send for Family Physician No. 2. Address, The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.

 Losee & Brown are doing a very good business, and their success is easily accounted for. In all their transactions they are straightforward and honorable. If the markets go up, their prices go up. They work for the interests of their patrons as well as themselves. During the season they have purchased wool from all over the country and made big shipments from Wilmington and other points. During this time they have done a large business at home in hides, poultry, veal, etc. This winter they will always be prepared to pay the highest prices for poultry and anything in their line. Already the turkeys are stretching their necks looking for big Ed. To get the best prices call on or drop a postal in the postoffice for Losee & Brown, of Dwight. Come a running!
