For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner; and Augustine & Son, Braceville, Druglists.

Henry Wilson, the postmaster at Welchton, Florida, says he cured a case of diarrhoea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son, Braceville, Druglists.

W. A. McGuire, a well known citizen of McKay, Ohio, is of the opinion that there is nothing as good for children troubled with colds or croup as Chamberlain's Cough Remedy. He has used it in his family for several years with the best results and always keeps a bottle of it in the house. After having laid up he was himself troubled with a severe cough. He used other remedies without benefit and then concluded to try the children's medicine and to his delight it soon effected a permanent cure. 25 and 50 cent bottles for sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son, Braceville, Druglists.

**A DOCTOR'S PHILANTHROPY.**

**Thousands Afflicted by Chronic Catarrh Under Free Treatment.**

The first day of November, 1893, Dr. Hartman gave his consent to take charge of the treatment of 10,000 cases of chronic catarrh free of charge. The announcement was at once published in all the leading papers, when the applications came pouring in from every State in the Union. With a large number of clerks and stenographers to assist him, the doctor actually directs the treatment of thousands of cases by correspondence, which costs the patients not inc. except the necessary medicines, which are obtained at the nearest drug store. To become a patient it is only necessary to send name and address, describe symptoms, and minute directions as to diet, sanitary regulations and other advice will be sent promptly.

Wherever Dr. Hartman is known the name of Pe-ru-na has become a household word. It is safe to say that no medicine in existence is used by so many families as Pe-ru-na. This is especially true of this time of the year; when the people are liable to catarrhal affections of the nose, throat, ears, e. g., e. e. Pe-ru-na has cured more cases of chronic catarrh than all other medicines combined. The great majority of those who use it buy to remedy themselves, use it according to directions, not even reporting their case to Dr. Hartman until after they are entirely cured. But now that a limited number of cases can secure the personal attention of Dr. Hartman free of charge, it is not to be wondered at that many prefer to do so. Pe-ru-na never fails to cure catarrh when properly used.

The Pe-ru-na Drug Manufacturing Company, of Columbus, Ohio, are sending free to any address a book on chronic catarrh, of the nose, throat, bronchitis, and all other affections of head, throat and lungs.

**Taken Unaware.**

Much attention has been attracted by the great offer of the Southern Pacific Company of books to advertise their wonderful new train now running from New Orleans to the Pacific coast, and which is said to be the finest, fastest and most luxuriously appointed train ever constructed. The train consists of a composite car, in which is embraced a barber shop, bath room, cafe and smoking parlor, a dining car, in which meals are served at all hours, day or night, passengers paying only for what they order. Also a full complement of Pullman's latest and most modern electric drawing room cars. The speed of this railway wonder, covering the vast distance between New Orleans and Los Angeles in 48 hours, and to San Francisco in 72 hours, has never been attempted or equaled. Contrary to the usual practice of other railway lines, no expense will be incurred other than the customary first-class ticket and sleeping-car fare for traveling on this superb train.

"Now westward I see the richest beams of moon's high glory."

And much of civilized America is following in its train, seeking homes, wealth and health in California. The great Sunset Route, Southern Pacific, is now the favorite one to those familiar with the different lines of Western travel, and its management, gratefully recognizing the ready appreciation of the traveling public, is endeavoring to their excellent fast-train service, embracing through Pullman and Tourist sleeping car facilities in the west, and which will be continued from Cincinnati, Chicago and New Orleans, have determined to obtain the most splendid railway achievements, and to provide their patrons with a combination of luxury and comfort hitherto unequalled. To this end the magnificent train, "Sunset Limited," taking its name from the solar orb, whose path across valley and plain and over hill and mountain it follows with the speed of the wind, has been put on between New Orleans, Los Angeles and San Francisco. Leaving both terminals every Thursday during the season of 1894-95, passing through the loveliest regions in the west, and which will be continued the luxurious vestibule coaches, dining, sleeping and composite—which comprise "Sunset Limited"—and the scenery which it traverses is unsurpassed. For further particulars, address S. F. B. LOTT, Gen'l Pass & Agent, New Orleans, La.
