

Chas. W. Cole, of Springfield, Ill., was unanimously elected first vice president, Tuesday morning.

W. R. Cobbe, secretary of Keeley League No. 40, Chicago, was a Dwight visitor the first of the week.

Dr. J. E. Blaine addressed the patients Wednesday morning, and as usual, had a large and appreciative crowd of listeners.

Dr. Leslie E. Keeley addressed a large crowd of patients on the topic, "Intemperance," at the club rooms on Tuesday morning.

The entertainment next week will be held on Wednesday evening instead of Tuesday, on account of the G. A. R. camp-fire, which takes place Tuesday evening.

On a recent visit to Chicago, Dr. Keeley purchased opera chairs to replace the seats now in use in the club hall. The new chairs will doubtless be highly appreciated by the members of the club.

The Ladies' Auxiliary now hold their meetings on the stage at the club house on Wednesday afternoon of each week. It was thought advisable for several reasons, to hold their meetings there hereafter.

Farewell remarks have been made this week by Messrs. Chas. J. Galligan, of New York city; B. F. Sheridan, Chicago; J. W. Condit, Trenton, Mo.; Jos. Dunn, Freeburg, Ill.; Geo. P. Phelps, Springfield, O., and Dr. M. H. Patten, Springfield, Ill.

As the very excellent entertainment was given to a crowded house Monday evening, almost every number on the program was honored with an encore. The stump speech, subject, "Historical Facks," by Chas. W. Cole, was a corker and delighted the audience. The program as given is as follows:

- Piano Solo.....Miss Addie Fenn.
- Song.....Master Harry Miller.
- Recitation.....Miss Cora Adams.
- Vocal Selection.....Miss Mabel Huey.
- Stump Speech.....Chas. W. Cole.
- Song.....Miss Francis Trunnell.
- Harmonium.....F. K. Kelsey.
- Vocal Selection.....Mrs. Howiet.

"A Clean Sweep."

The Rock Island Argus says of a performance in that city:

The musical farce comedy, "A Clean Sweep," presented at Harper's theatre Saturday evening, proved an exceptionally clever performance, neat and clean. It was in no sense overdone, and while Andy Amann, as Julius Winkle, is the bright particular star, his character an ideal one in the way of German dialect comedy, he has the good sense not to attempt to outshine his supporting company, each of the various roles being splendidly handled, and each distinct in itself. John Boone as Nicholas Fix, Irving T. Reed as Col. Foddy, Bert Gorman as Nickolay Koor, George W. Wills as Bostington Quick, George W. Cunningham as Fanny, Miss Grace Barron as Angelina and Miss Georgia Sargent as Stella, all deserving special mention. The repertoire and dancing scenes of Mr. Cunningham constituted a wonderfully unique feature. The musical numbers were splendid, and while some selections may have been heard before, they have not been better rendered, and every part of the entertainment was calculated to create sound enjoyment. We hope Mr. Amann may again visit Rock Island, when he will be sure of a better house.

We might go on with similar extracts from papers wherever the company has been but have not the space. In addition to the above, the company offers a guarantee of excellence as follows: Any person, who at the end of the first act, is not satisfied can have their money back. Opera house, Dwight, next Wednesday evening, Nov. 14.

Nothing in This World

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—125,000 to 140,000 a day.

Prof. J. T. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."
