Go to Walter Scott for the best Braidwood coal. He also keeps the best grade of hard coal.

Walter Scott has just laid in a big supply of the best hard coal, and is now ready to furnish it to his customers in any quantity.

For a good, healthy bath soft water is necessary, and the only place in Dwight that rain water is used, is at Will Roeder's, the barber.

If you are looking for choice meats you will always find just what you want at Geo. L. Kern & Bro's. They carry the nicest line of meats in the city.

Starrett & Seabert just received a car load of Best on Record flour direct from Minnesota. To try it is to continue to use it. Get their prices before buying.

B. A. Buck's store is beautifully decorated with Round Oak and Radiant Home heaters and the greatest variety of ranges of any store in town.

For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Barr & Davis, Dwight; Smith & Melbush, Gardner; and Augustine & Son, Braceville, Druggists.

Henry Wilson, the postmaster at Welshton, Florida, says he cured a case of diarrhoea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Barr & Davis, Dwight; Smith & Melbush, Gardner; and Augustine & Son, Braceville, Druggists.

W. A. McGuire, a well known citizen of McKay, Ohio, is of the opinion that there is nothing so good for children troubled with colds or croup as Chamberlain's Cough Remedy. He has used it in his family for several years with the best results and always keeps a bottle of it in the house. After having laryngitis he was himself troubled with a severe cough. He used other remedies without benefit and then concluded to try the children's medicine and to his delight it soon effected a permanent cure. 25 and 50 cent bottles for sale by Barr & Davis, Dwight; Smith & Melbush, Gardner; and Augustine & Son, Braceville, Druggists.

All pupils should remember the teacher's request, to lay aside all books during the opening exercises.

The High School teachers spent Friday evening and Saturday in Pontiac, in attendance at the meeting of the Livingston County Principals and High School Teachers' Round Table Association.

The High School received a very pleasant visit from Mr. C. D. Parker, of the class of '91, last Tuesday. Mr. Parker is one of the successful young teachers of the county, and always a welcome visitor here.

Misses Jennie and Cora Thompson visited the different grades on the West Side recently. The Misses Thompson are among the progressive teachers of the county, and believe in improving their vacation by inspecting the methods of others.

The High School was so favored as to receive a visit from Mr. Fred Wood, principal of the public schools of West Branch, Iowa. Mr. Wood is an alumnus of the Dwight High School, class of '81, and is one of the many who have gone forth to fill a place of honor and usefulness. While here Mr. Wood spoke of the change in the school, not only in growth but in progress as well. It is seldom that we are honored by a visit from any of the older alumni, notwithstanding the fact that such visits are always appreciated.

The following program was given by the High School last Friday afternoon:

- Instrumental Solo, Bertha Spellman.
- Recitation, Eva Lesser, Query Box No. 1, Amy Orr.
- Book Review, Mabel Parker.

- Query Box Number 2, Frank Kneeland.
- Song, by school.
- Debate, "Resolved, that wealth is more to be desired than education." Affirmative, Frank Burt Orr and Jennie Stevens; negative, Burt Orr and Emma Barr.
