For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner; and Augustine & Son, Braceville, Drugists.

Henry Wilson, the postmaster at Welsh-ton, Florida, says he cured a case of diarrhoea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son Braceville, Drugists.

W. A. McGuire, a well known citizen of McKay, Ohio, is of the opinion that there is nothing as good for children troubled with colds or croup as Chamberlain's Cough Remedy. He has used it in his family for several years with the best results and always keeps a bottle of it in the house. After having lagrippe he was himself troubled with a severe cough. He used other remedies without benefit and then concluded to try the children's medicine and to his delight it soon effected a permanent cure. For sale by Barr & Davis, Dwight; Smith & Melhuish, Gardner and Augustine & Son, Braceville, Drugists.

A Household Treasure.
D. W. Fuller, of Canajoharie, N. Y., says he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Drugist, Catskill, N. Y., says that Dr. King's New Discovery is of doubtful efficacy in the Cough Remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Barr & Davis, Dwight; W. H. H. Augustine, Braceville, Drug store. Regular size 50c. and \$1.00.

Second of the Series.

The second lecture of the series inaugurated by the Illini club was delivered last Monday evening at M. E. church to a large audience. The speaker of the evening was Prof. C. N. Thomas, a highly educated gentleman who has graduated in an American college and subsequently had the advantage of extensive travel in the old countries. His lecture was confined principally to Italy, and was illustrated very finely by stereopticon. Mr. Thomas handles his subject with a readiness which shows his familiarity with what he is talking about, and his descriptive powers are good, and with his lecture is a very interesting and instructive one.

Small Campfire.

The true patriotic organizations, G. A. R., W. R. C. and S. of V. held their first union meeting the season at the latter's ball last Tuesday evening. About fifty were present. Remarks were made by Commander Ayling, full of patriotism and good advice, beautiful singing by Miss Mable Huey and a very interesting reading by Mrs. J. C. Lewis.

The question of repeating the recent campfire was brought up and it was decided to do so, the announcement of which will be seen in another column.

Too Gay.

There was lots of fun in the party of young people who started to Geo. L. Taylor's residence last Friday night, to visit with the young people and have a party. About eighteen crowded into Real's wagonette, and all went merry until they turned into the Taylor grounds, when the wagonette was driven out of the road a little and the wheels on one side struck Mr. Taylor's scales which threw the vehicle up in the air sideways and when it came down it landed very nearly bottom side up, consequently the occupants landed about the same. The driver, however, had his head with him and stopped the team so that all the party had to do was to get themselves together and crawl out as best they could. Taking an inventory afterwards it was found that about fifteen out of the eighteen were bruised in some manner and some of them quite badly. Miss Florence Wright was injured the worst, but is getting along nicely.

We offer you a beautiful picture, free, as a Thanksgiving token from us, and give particulars in another column.
