

It was certainly a great pleasure to listen to the talent provided by the entertainment committee last Tuesday. Each and every one proved themselves to be entertainers of rare ability and the large and intelligent audience voted a "Thank You" to the committee for arranging such a high class programme for this occasion.

PROGRAM: Overture.....Orchestra Bartone Solo.....Mr. A. F. Kelsey Duett.....Miss Johns and Mr. Ridgely

Mr. and Mrs. W. G. Dustin visited the Bloomington Keeley League No. 17 Sunday last. No. 17 and Auxiliary are in a flourishing condition as usual. They will commence on the first Sunday afternoon of next month, to hold monthly lectures for the good of the cause, and the general public are cordially invited.

The club was addressed in an able manner by Rev. C. W. Ayling Monday, and on Tuesday the members enjoyed a ch treat, as Rev. C. N. Thomas, of Burlington, Iowa, was present and addressed the club giving his impressions of Dwight and the class of patients he saw here.

The following officers were elected Tuesday: President, W. T. Elliott, Quincy, Ill.; First Vice-Pres., Fred Ray, S. Louis, Mo.; Second Vice-Pres., John Dadds, Cedar town, Ga.

The club is greatly indebted to Mrs Spencer Eldridge for a large donation of magazines and novels. After being here three or four days the members all appreciate good reading matter, and such contributions are always gladly received at the club room.

Do you catch on to the fact that Willard S. Brown, the secretary of the league, has blossomed out into a specialty artist? He sang a german dialect song at the club Tuesday night, and received an encore. Who would have thought it?

Chas. M. Spinney, well known commercial traveler of Chicago, a graduate of two years and eight months ago, addressed the club in a pleasant and forcible manner Tuesday morning.

Wm. Rosser Cobbe, secretary of League No. 40, Chicago, addressed the club Wednesday, making a very favorable impression on all who had the pleasure of hearing him.

Robert Endsley, of Whiteside, Ill., a graduate of two years ago, was at the meet Thursday and expressed himself in favor to the great efficacy of the Keeley cure.

A special meeting of the club was called Wednesday evening to say farewell to a gentleman from the South who was exceedingly popular with all the patients.

The executive boards of the State Keeley League and Auxiliary will be called together in Dwight some time early in January.

Mr. Henry, of Missouri, who graduated two years ago made some pleasant and encouraging remarks Thursday morning.

The State League is rather inactive just at present on account of a slight depression in the financial department.

Dr. J. E. Blaine addressed the club in his pleasant and forcible manner Wednesday.

There was a large attendance at the song service Sunday morning.

Weekly Toledo Blade. We are prepared to offer the Toledo Weekly Blade and your home paper for \$1.75 to all new subscribers. For renewals the best we can do is \$2.

Of the now nearly twenty thousand regular publications in the United States, there are but two or three weekly newspapers published for general circulation in every state and territory, and of these the Toledo Weekly Blade is the best and most popular of them all. It is the oldest, best known, and has the largest circulation. For more than twenty-five years it has been a regular visitor to every portion of the Union, and it is well known at every one of the sixty thousand odd post offices of the country. It is made especially for family reading. It gives the entire news of the world each week, in such condensed form as will save reading scores of pages of daily papers to get less information. Republican in politics, Temperance in principle, always on the side of justice and right, it is just the paper for the rising generation, and a great educator for the whole family. Serial stories, wit and humor, short stories, Household department, Question Bureau, Farm department, Campfire, Sunday School and Young Folks are a few of the many other prominent features of this great paper. A specimen copy will be mailed free to any address on application, and the publishers invite any person to send in a long list of addresses to whom they will mail sample copies. They would be glad to mail couple of hundred specimens to readers of this county. The Weekly Blade is a very large paper, and the price is only one dollar a year. Address The Blade, Toledo, O.

Your home paper and the above or \$1.75.

Cheap Reading. As is well-known the Toledo Weekly Blade is one of the best family weekly newspapers in the world. It is a large eight page paper and contains lots of reading matter, and is superior to any of the great large city weeklies. We can furnish it for \$1.75 per year. This is a great chance.
