KEELEY LEAGUE NEWS.

Interesting farewell remarks were made Friday by A. F. Keeley, of Elgin, Ill., and Geo. M. Frenzel, of Indianoplis, Ind.

Dr. Blaine made his regular weekly address to the club Wednesday morning in answer to written queries from the patients.

Chas. W. Cole, who did so much to make the club entertainments a success while in Dwight, made his farewell remarks to the club Saturday, and departed for his home at Springfield, Ill.

The following officers were elected Tuesday: President, L. B. Hudson, Bloomington, Ia.; 1s V. P., W. A. Thompson, Rock Island, Ill.; 2d V. P., N. K. Henry, Odessa, Mo. Albert Rice, of Aurora, Ill., was appointed sergeant-at-arms for the ensuing term by President Hudson.

The entertainment committee found it a difficult matter to secure talent for the entertainment last Tuesday evening. However they did the best they could under the circumstances and no one grumbled. It is thought that an excellent program will be provided for next Tuesday evening as Mr. J. F. Wilkinson and Prof. A. Buissant will have the matter in charge. Mr. Wilkinson is a well known baritone singer who has appeared in concerts at the Auditorium, Chicago Opera House, etc. Prof. Buissant is the musical director at the Grand Opera House, Chicago, and as a violinist has but few superiors, and he has kindly consented to give a number or two next Tuesday evening, and his wife, who is with him, and is a lovely singer, will contribute her mite towords making this entertainment one that will long be remembered with pleasure. Other talent also be secured from among the patients and citizens.

The Toledo Weekly Blade.

Of the now nearly twenty thousand regular publications in the United States, there are but two or three weekly newspapers published for general circulation in every state and territory, and of these the Toledo Weekly Blade is the best and most popular of them all. It is the oldest, best known, and has the largest circulation. For more than twenty-five years it has been a regular visitor to every portion of the Union, and it is well known at every one of the sixty thousand odd post offices of the country. It is made especially for family reading. It gives the entire news of the world each week, in such condensed form as will save reading scores of pages of daily papers to get less information. Republican in politics, Temperance in principle, always on the side of justice and right, it is just the paper for the rising generation, and a great educator for the whole family. Serial stories, wit and humor, short stories, Houshold department, Question Bureau, Farm department, Campfire, Sunday School and Young Folks are a few of the many other prominent features of this great paper. A specimen copy will be mailed free to any address on application, and the publishers invite any person to send in a long list of addresses to whom they will mail sample copies. They would be glad to mail couple of hundred specimens to readers of this county. The Weekly Blade is a very large paper, and the price is only one dollar a year. Address The Blade, Toledo, O.

Your home paper and the above or $1.75.

Cheap Reading.

As is well-known the Toledo Weekly Blade is one of the best family weekly newspapers in the world. It is a large eight page paper and contains lots of reading matter, and is superior to any of the great large city weeklies. We can furnish it for $1.75 per year. This is a great chance.

All at Home.

In all of Livingston county the DWIGHT STAR AND HERALD is the only paper that prints six pages at home. This was necessary on account of the large advertising patronage and the large amount of neighborhood news we run (larger than any paper in this section of the state). The change has been a complete success and appreciated by the neighborhood public, as our list is reaching out each week until now the STAR AND HERALD is found and read in almost every home in Dwight and all the small towns around and in the farm houses far and near. We feel proud of our success and return our sincere thanks to all our customers, no matter how small the amount of business they do with us or how large.

January 1, 1895, we shall commence to print all our paper in Dwight, and make our own selection of miscellaneous reading matter. This is quite an undertaking, but we trust we shall succeed Some of the important features of the paper will be continued. We shall present Talmage's sermons each week as long as obtainable. The late news in our paper after January 1 will be much later than heretofore, because we shall get "up to date" matter, and it is our intention to run serial stories written by the best authors (no dime novel, love-sick trash).

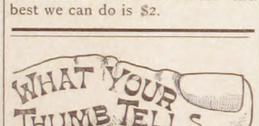
In the correspondence department, which is one of the most important features of any country paper which wishes to grow, we shall add new features and more news covering all localities anywhere near Dwight, until the paper shall become a necessity in every well organized home where it is wished to keep up to the times and know what neighbors are doing.

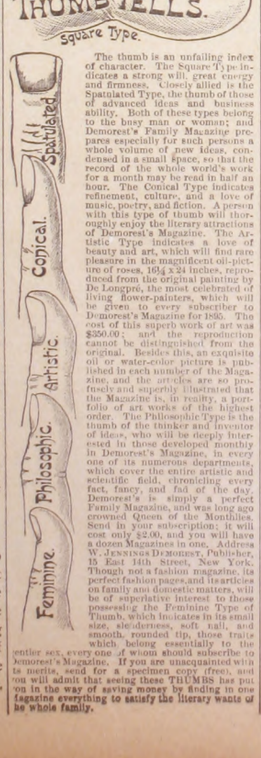
We are often asked by newspaper men whom we meet in our travels how we can afford to get up such a paper. We simply answer that we are satisfied not to make so much money out of our paper for the present. We want to send out a paper that will give satisfaction and be looked for each week and please the reader, the advertiser and the publishers alike, even if it does cost a little more than some of the sickly sheets that come to our exchange desk.

One of the features we shall add will be a newsy, interesting letter from Odell, each week.

Weekly Toledo Blade.

We are prepared to offer the Toledo Weekly Blade and your home paper for $1.75 to all new subscribers. For renewals the best we can do is $2.





The thumb is an unfailing index of character. The Square Type indicates a strong will, great energy and firmness. Closely allied is the Spatulated Type, the thumb of those of advanced ideas and business ability. Both of these types belong to the busy man or woman; and Demorest's Family Magazine prepares especially for such persons a whole volume of new ideas, condensed in a small space, so that the record of the whole world's work for a month may be read in half an hour. The Conical Type indicates refinement, culture, and a love of music, poetry, and fiction. A person with this type of thumb will thoroughly enjoy the literary attractions of Demorest's Magazine. The Artistic Type indicates a love of beauty and art, which will find rare pleasure in the magnificent oil-picture of roses, 16½ x 24 inches, reproduced from the original painting by De Longpre, the most celebrated of living flower-painters, which will be given to every subscriber to Demorest's Magazine for 1895. The cost of this superb work of art was $350.00; and the reproduction cannot be distinguished from the original. Besides this, an exquisite oil or water-color picture is published in each number of the Magazine, and the articles are so profusely and superbly illustrated that the Magazine is, in reality, a portfolio of art works of the highest order. The Philosophic Type is the thumb of the thinker and inventor of ideas, who will be deeply interested in those developed monthly in Demorest's Magazine, in every one of its numerous departments, which cover the entire artistic and scientific field, chronicling every fact, fancy, and fad of the day. Demorest's is simply a perfect Family Magazine, and was long ago crowned Queen of the Monthlies. Send in your subscription; it will cost only $2.00, and you will have a dozen Magazines in one. Address W. Jennings Demorest, Publisher, 15 East 14th Street, New York. Though not a fashion magazine, its perfect fashion pages, and its articles on family and domestic matters, will be of superlative interest to those possessing the Feminine Type of Thumb, which indicates in its small size, slenderness, soft nail, and smooth, rounded tip, those traits which belong essentially to the gentler sex, every one of whom should subscribe to Demorest's Magazine. If you are unacquainted with its merits, send for a specimen copy (free), and you will admit that seeing these THUMBS has put you in the way of saving money by finding in one fagazine everything to satisfy the literary wants of he whole family.
