 Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. A remedy for Nasal Catarrh which is drying or exciting to the diseased membrane should not be used. Cream Balm is recognized as a specific. Price 50 cents at druggists or by mail. A cold in the head immediately disappears when Cream Balm is used.—Ely Brothers, 56 Warren St., New York.
 Long years ago some wise men remarked: "Laugh and grow fat." If there is any truth in this saying it is safe to prophesy that our theatre goers who visit the Dwight opera house next Tuesday evening, January 23, are more than likely to gain a pound a piece in adiposities. On that evening Cosgrove & Grant's Comedians will present the Dazzler, or it might be said, the new Dazzler, for since it was last seen here the piece has been changed materially.

 The dance at Varos Thursday night drew the biggest crowd they have had in ten years. Sixty-nine couples danced and there were about sixty spectators. They came from far away towns to the dance. Smith's Orchestra furnished the music and it was all right.
 According to the Forrest Rambler Will Mies, of Saunemin, caught a fox recently the third time in a steel trap. The first time it carried the trap off on its foot, the next time it pulled its foot out of the trap, but the third time it was so extensively decorated with traps to escape, having one on each front foot.
 A romantic wedding took place in LaSalle recently. The groom is 61 years of age and the bride 48. Just as soon as the couple were introduced to each other it was apparent Cupid had an easy task, for he just mixed those names up so that a marriage license became necessary to complete their happiness. The groom's name, as given in the license, is Andrew Przybylinski, and the bride's name was Yawdiga Szpotanski. The Streater Free Press says they are among the leading citizens of LaSalle, Ill.
 Under the head of "Amusements" in the Valparaiso, (Ind.) Star-Vidette, of Monday, January 15, 1900, we take the following: "At the New Memorial theater Saturday evening was presented the highly pleasing musical farce, 'The Dazzler' and so far as giving satisfaction is concerned, it was all that the title implied. Brimming over with good, legitimate fun, and liberally interspersed with bright, catchy, high-grade specialties, there was not an objectionable feature, and 'The Dazzler' is the best production of its kind seen here in years." This show will appear at Dwight Opera House, on Tuesday, January 3. Usual prices.
 Discovered by a Woman.
 Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hammick & Co., of Shelby, N. Y. Trial bottles at Barr & Davis' Drug Store, Dwight; W. J. Bradley, Braceville. Regular size 50c. and \$1.00. Every bottle guaranteed.
 Retired.
 Mrs. S. Strufe has sold her hotel interests to Mr. Ficke, of Chicago, and will reside in the building being built west of the Strufe House. The Strufe House was an institution of long standing, the old one having burned in the fire of '91. The new and present building was built on the same site and has been in conjunction with the Keeley Institute, taking patients and giving satisfactory accommodations.
 Mrs. Strufe is grateful to the general public and the Keeley Institute for their patronage, and hopes her successors may do as well as she has done.
 Pay Your Taxes.
 My office is with F. B. Chester, and I will be ready to collect taxes on Monday of next week.—RONN. BELL, Collector for Dwight Township.

School News.
HIGH SCHOOL.
 The High School now takes written as well as oral music in the morning.
 Our visitors this week have been Misses Davis, Orr, Stewart, Meier and Hoffman, also Mr. Reeder.
 The senior class has several mottoes under consideration but have not decided upon which one they will use.
 The Benedicta Literary Society will give their first program on Jan. 19, and the Bernice will give a Kipling Program on Jan. 26.
 Our Library has been increased by a set of books treating on the characters of the American Statesmen. The set consists of 144 volumes.
 The Physical Geography, Astronomy and English History classes will finish their text books in less than a month. They will then begin the studies of Geology, Chemistry and English Classics respectively.
 The Literary fund was increased by \$17.20 last week, the present or donation being received from a former Dwight High School Alumni Association of which Miss Louise McWilliams was Treasurer. The cash will be used in purchasing new books for the High School Library.
 Twenty-five Years Constant Use Without a Failure.
 The first indication of crop is hoarseness, and in a child it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by A. K. Beltzhoover, Dwight.
 Flagg Perry.
 Lettie M. Flagg, of Dwight, and John A. Perry, of Chicago, were married at the groom's home, Spaulding Avenue, Chicago, Jan. 17, the ceremony taking place at high noon.
 The bride wore a cloth dress of Cashmere trimmed with applique, the color of which was ornamented with vest of turquoise blue with fine all over lace.
 The bride has lived in Dwight all her life and is highly respected and the groom is a well known passenger conductor on the Alton, having been on the road eighteen years. Both are well and favorably known in Dwight.
 The STAR and HERALD joins their many friends in best wishes.
 He Fooled the Surgeons.
 All doctors told Renck Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World, 25 cents a box. Sold by A. K. Beltzhoover, Dwight, W. J. Bradley, Braceville.
 New Management.
 Mr. Al R. Ficke, of Lake Zurich, and Mrs. E. G. Pagels, of Irving Park, are the proprietors of the Strufe House, taking possession on January 15.
 The new proprietors come highly recommended. Mr. Ficke has been in the hotel business for fifteen years past at Lake Zurich, Ill., and Mrs. Pagels conducted a hotel at Chicago for seven years, with their experience in the business the patrons under the new management will find only the best of accommodations. The house will be thoroughly renovated, and the service will include excellent cuisine, electric lights, steam heat and baths. The name of the house will be changed.
 The Household.
 The Household, is a fine old New England family paper, second to none for the home, and which is now taken by quite a number in and around Dwight. The STAR and HERALD, always on the alert for good literature for the home at a moderate figure, has made arrangements to furnish The Household in connection with your home paper for \$1.75 per year.
 Call at the office in Dwight and get a sample copy, you will surely be pleased with it.

Masonic Installation.
 On Monday evening the A. F. & A. M. had their annual installation exercises. A. B. Ivick acted as G. M., Prof. G. W. Horton as G. Mar., Joe Miller as G. S., and Rev. E. F. Wright as G. C. The officers installed were: W. M., Andrew Hansen; S. W., F. J. Vickers; J. W., R. D. Gregg; Treas., B. A. Bock; Secy., F. W. Ford; C., E. F. Wright; S. D., D. S. Fox; J. D., B. M. Chubb; S. S., G. T. Pettit; J. S., M. Seibert; T., O. C. Jensen.
 One of the principal features of the evening was that F. W. Ford, who was installed the 25th time as secretary of Livingston Lodge, was presented with a very handsome jewel of his office by the brethren. Rev. E. F. Wright made the presentation speech, to which Mr. Ford responded briefly, expressing his complete surprise and his gratitude for the favor.
 The attendance was large, and at the close of the meeting the members adjourned to the restaurant of John Parvin, where an excellent supper was in waiting.
 Every one seemed to have greatly enjoyed the evening. Livingston Lodge at present is in a very flourishing condition and is doing good work.
 Question Answered.
 Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at A. K. Beltzhoover's.
 The Battle of Manila.
 The "Battle of Manila," Wabash Ave. and Hubbard Court, Chicago, has begun its second year and bids fair to run as long as the famous exhibition "The Battle of Gettysburg."
 This exhibition is unlike any of the old time panoramas, and is called an Electro-Cyclorama. In addition to being a masterpiece of the artist's brush, portraying Manila Bay and its surroundings, the entertainment consists of a performance given every hour and includes an interesting lecture by H. B. Glover, who was the printer on Dewey's flagship, the Olympia.
 There is to be seen a tropical sunrise and sunset, a south sea typhoon or storm of sea, Manila bay by moonlight, and the bombardment of the Spanish forts and ships by real guns, constituting a wonderful electrical exhibit. Many citizens of this state have visited the exhibition and pronounce it one of the big features for Chicago sightseers. Throughout the month of January a silver souvenir spoon is given with every ticket at 50 cents, and those who cannot visit Chicago during January can send their money to the company and the spoons and tickets will be returned by mail, the tickets to be used when convenient.
 I want to let the people who suffer from rheumatism and sciatica know that Chamberlain's Pain Balm relieved me after a number of other medicines and a doctor had failed. It is the best liniment I have ever known of.—J. A. Dodgen, Alpharetta, Ga. Thousands have been cured of rheumatism by this remedy. One application relieves the pain. For sale by A. K. Beltzhoover, Dwight.
 Does it Pay to Buy Cheap?
 A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sample bottles at A. K. Beltzhoover's.
 The Appetite of a Goat.
 Is envied by all poor dyspeptics whose Stomach and Liver are out of order. All such should know that Dr. King's New Life Pills, the wonderful Stomach and Liver Remedy, gives a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and great energy. Only 25c at A. K. Beltzhoover's Dwight, and W. J. Bradley, Braceville.
 To Cure a Cough,
 stop coughing, it irritates the lungs, and doesn't give them any chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants. C. V. Green, Braceville; A. K. Beltzhoover, Dwight.

 Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest?
 Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself?
 If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?"
 Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.
