Crouching

In every cough there lurks, like a crouching tiger, the probabilities of consumption. The throat and lungs become rough and inflamed from coughing and the germs of consumption find an easy entrance. Take no chances with the dangerous foe.

For 60 years there has been a perfect cure. What a record! Sixty years of cures.

Allen's Cherry Pectoral soothes and heals the wounded throat and lungs. You escape an attack of consumption with all its terrible suffering and uncertain results. There is nothing so bad for the throat and lungs as coughing. A 25c. bottle will cure an ordinary cough; harder coughs will need a 50c. size; the dollar bottle is cheapest in the long run.
