Seymour's Cough Cure

is a combination of Pure Drugs that have been found to be most effective for the immediate relief and quick curing of Throat and Lung Disorders.

There is no "New Discovery" about it, it is simply a combination, found to be the best, as a result of experiments that have been going on for the last century. All the physicians in the world have had colds to treat, and no matter what they call the medicine they administer, they all are sure to possess some, if not all, of the elements in Seymour's Cough Cure; that is, provided they are competent to do the best they can.

When you buy Seymour's, you may depend on it that you are getting a Standard Medicine about which there is no mystery, and is the best that modern knowledge can produce.

CARDIFF COSMOGRAPHY

(Topographically Typographically Tautologically and Historiographically Translated.)

The charming young widow I met on the train (while traveling by lightning express, en route from Liverpool, England, to Cardiff, U. S. A.) in order to endeavor to procure in Aherm's subdivision before they were all taken, a Residence or Business lot, or a fractional part thereof, from F. E. AHERN, REAL ESTATE AND LOANS, Corner Main St. and Frederick Ave., Cardiff, Ill.

Kind friends if you'll listen I'll tell you a story,
If you'll have patience with me I'll not keep you long,
And perhaps the best way I can hold your attention
Is to entertain you with a little song.
I composed my ditty "Just as the sun went down,"
"Just After the Ball" where I had a "Hot Time,"
"In the Shadow of the Pines," where my love and I wandered
Alone, while sweetly she whispered, "Fred, "There'll Come a Time."

I must tell you I was not "Bred in Old Kentucky,"
I was born in Round Grove near the place now owned by "Spot,"
And if you'll call at my office and spend a few moments,
And a few hundred dollars) you'll own a town lot,
I care not for wealth (sure 'tis but "filthy lucre,"
I love to make sales, (and to make money too),
And I still have some choice lots left fronting on Main street,
And some better ones still on Wabash Avenue.

I have good business lots on Aherm street and Thaddeus street,
And some bright sunny sites left on Limerick street too,
While for residence lots, you should come to the Avenues,
Either Frederick, Eugene or Shamrock Avenue.
My title is clear to the land I am selling,
I don't owe a red cent to man, woman or maid,
If you doubt my assertion please go to the records,
If you find a flaw there your expenses will be paid.

(By the author of this beautiful, descriptive song) of whom the complete words and music may be had at sixty cents per copy, or it will be furnished gratis to any body purchasing a business or residence lot of

(Encore Verse.)

I have sites for saloons, though I might prefer others,
Would come to our city, with us to locate,
And between you and I, the time is not far distant,
When this much vexed question we'll regulate (we'll have low license)
But since we must have them, I say treat them white and square,
Remember we're not all built on the same style,
And while the saloon keeper pays his license (and buys his lot of me),
He'll find I will always greet him with a smile.

Parties desirous of purchasing sites for the business referred to in encore verse, would do well to see me personally and privately, as I have a reputation to maintain, not only as a ten-pence man but as a total abstainer, hence cannot come out too plainly in print, suffice to say: one man's money is as good as another's, and money talks out loud in the office of
