What do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and takes the place of coffee. The more GRAIN-O you give the children the more health you distribute through their systems. GRAIN-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All sell it. 15c. and 25c.
