Man in Iowa Uses a Compound that Makes His Hens Lay Double the Usual Number Summer and Winter Secret of His Success.

People in the neighborhood of Creston, Iowa, are amazed at the number of eggs that this drives to market with. When asked what was the cause of his hens being so prolific, he stated it was all in a certain compound he was using, that kept his hens in good condition and furnished them with the proper stimulus to egg production. American Poultry Mixture is the name of it, and is made by American Mfg. Co., Terre Haute, Ind. Every man in the poultry business is interested in the health of his hens and their laying capacity. In the eggs lie his profits. This mixture is guaranteed to increase the production of eggs 100 per cent or money refunded. I will do more than three times as much as the same amount of any other compound. It is concentrated in form and the result of years of practical experience in the poultry business. There is absolutely no doubt as to what it will do, and you are invited to try it at the expense of the company. Send \$1.00 for a sample package and if doesn't do the work you get your money back. This fair and is made to induce practical poultrymen to give it a trial. It is also a sure preventive of such diseases as the terrible cholera and roup which create such havoc in all parts of the country. It acts directly on the craw and gizzard and is a thoroughly scientific preparation. The manufacturers guarantee every package or refund purchase money. If your druggist don't sell American Poultry Mixture, he's behind the age. In that case order direct from American Manufacturing Co., Terre Haute, Ind.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your neighbors and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at A. K. Beltzhoover's.
