He left an impression in Dwight which will not soon be forgotten. Question Answered. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied the e is nothing serious the matter with you. Sample bottles at A. K. Beltzhoover's.

Jubilee Singers. The concert given by Glazier's Carolina Jubilee Singers, under the auspices of the Ladies Social Union of the Methodist Church in that church on Tuesday evening, was well attended and much enjoyed. The ladies cleared a considerable amount from the proceeds of the evening, which sum will be expended for the benefit of the church. Dr. Keeley's Will. Dr. Leslie E.
