The flag symbolizes our purposes and our aspirations; it represents what we believe and what we mean to maintain, and wherever it floats it is the flag of the free, the hope of the oppressed; and wherever it is assailed, at any sacrifice it will be carried to a triumphant peace.—Wm. McKinley.

FOR SENATOR.

Dr. M. R. Keely, of Dwight, herewith announces his candidacy for the republican nomination for state senator in the 20th senatorial district...

The candidacy of Major M. R. Keely for senator is meeting with a hearty support from all over Livingston county.

Congressman Reeves is fairly jumping to the front as a gubernatorial candidate. Every one in a while the people take a hand and this is one of the times.

While Mr. Sheldon may not have run a newspaper precisely as Jesus would, he undoubtedly tried to, and at least it ought to influence some publishers to the extent of not trying to run a newspaper like the devil would.

When a township is republican and they elect democrats to office they lose a certain prestige with the party in the county, and the same is true of a democratic township which elects republicans.

The Wenona Index is about to bolt because the STAR AND HERALD says it was impudence for Marshall county to ask the senatorship twice when Livingston furnishes the majority to elect the district ticket.

FOR GOVERNOR, WALTER REEVES, M. C.

ity when he was a candidate, and not play the baby act now and say "I won't play 'cause I ain't it."

The Porto Rico tariff bill passed by the house and now before the senate is troubling the free trade Chicago Tribune and Record and the Inter Ocean more than it does the people.

Anyone would think by reading the Forest Rambler that Bob Fort had opened his barrel down there, and was paying campaign expenses for the Elder.

The Marshall county papers advocate the re-nomination of Bob Fort for senator because he carried the district four years ago.

The Chicago newspapers are "cating crow" and getting under cover on the Porto Rico tariff question as fast as possible.

It is amusing to hear a very few fellows cry "I won't play if Bob (and his barrel) ain't it."
