**Results of Municipal Elections Held This Week in Several of the Western States.**  
**OHIO SHOWS GAINS FOR REPUBLICANS.**  
In Michigan the Democrats Make Several Striking Gains—Women Lose Control in a Kansas Town—Utah Democrats Elect a Successor to Roberts—Results Elsewhere.  
Cincinnati, April 3.—The republicans scored a success over the fusionists at the election here Monday for all the city officers. They also have all members of the city board of public service for three years, which controls everything except the police and fire departments. The board of legislation stands: Twenty-four republicans and seven democrats, and the board of education 21 republicans and seven democrats. Three years ago the fusion ticket was elected by a plurality of 7,436 on a total vote of 9,000. The majority of Fleischmann (rep.) Monday over Cohen (fusion) for mayor is 5,618.  
A summary of the results of the municipal and township elections in Ohio indicates more republican than democratic gains, but no special cause for the republicans. In the city of Piquette, which has been fighting for years have evidently been getting together and that the democrats have shown more indifference than usual.  
**In Michigan.**  
Detroit, Mich., April 3.—The democrats made several striking gains in the municipal and township elections held in all Michigan cities Monday except Detroit and Fort Huron. At Lansing, J. P. Hammett (rep.) was elected mayor for three years, by a majority in ten years. Mayor George L. Perry (dem) was re-elected at Grand Rapids over ex-Mayor Stuart by 1,388 majority. In the city of Piquette, which has been fighting for years have evidently been getting together and that the democrats have shown more indifference than usual.

**QUEEN ON IRISH SOIL.**  
Victoria Is Given a Hearty Welcome in Dublin After an Absence of Thirty-Nine Years.  
Dublin, April 5.—Queen Victoria landed in Ireland Wednesday morning for the first time in 39 years.  
The disembarkation from the royal yacht was accomplished at 11:30. The commander of the forces in Ireland, the duke of Connaught, the lord lieutenant, Earl Cadogan, and their staffs greeted her majesty, and the ride from Kingstown to Dublin commenced in splendid weather and before huge and good-natured crowds.  
At the entrance to the city she received an address of welcome and handed the lord mayor a reply. The following is her majesty's reply in full:  
"I thank you heartily for the loyal welcomes and good wishes which you have tendered me on behalf of yourself and your fellow citizens on my arrival in the ancient capital of my Irish dominion. I came to this fair country to seek a change and rest, and to revisit the scenes which recall to my mind the warm welcome given to both myself and my beloved husband. I am deeply grateful that I have been able at this time to see again the motherland of those brave sons who have recently distinguished themselves in the defense of my crown, and empire with cheerful valor as conspicuous now as ever in their glorious past. I pray that the Almighty God may ever bless and direct you in the high functions which you exercise for the benefit of your fellow citizens."  
Compared with the queen's recent visit to London, when she was practically unattended, the scene offered a vivid contrast. Deafening and continuous cheers marked every stage of the route, especially at the historic College green, where the crowds were thicker than at any other point. Trinity college was almost hidden by stands, which were black with people and flaming with flags and festoons. Amid the thunderous welcome of the populace the bells of the Catholic cathedral rang out a greeting.

**TO HONOR LAFAYETTE.**  
Archbishop Ireland to Deliver Chief Address at Unveiling of Monument in Paris.  
Paris, April 2.—It is now settled that Archbishop Ireland will deliver the dedicatory address at the unveiling of the Lafayette monument on July 4. The address will be spoken in French and will be non-religious in character. Ambassador Porter will act as president and the other American ambassadors in Europe as vice presidents. Commissioner General Peck will make the address of presentation to France and Frank J. Thompson, secretary of the Lafayette monument committee to the exposition, will speak on behalf of the school children. The monument will be unveiled by 47 American girls, who will pull tricolored cords.

**Women Lose Control.**  
Topeka, Kan., April 3.—The election for city officers in the town of Beattie, in Marshall county, Tuesday, was a contest between men and women and the men won. A ticket composed entirely of women was elected a year ago. The women officers, headed by Mrs. Elizabeth Totten, mayor, were candidates for election.  
**Congressman Chosen.**  
Salt Lake City, Utah, April 3.—Utah voters elected congressman to succeed Roberts, re-elected by Mrs. Elizabeth Totten, mayor, by a plurality of 2,900 majority.  
**In Illinois.**  
Chicago, April 3.—Eighty-two votes were cast at the city election. The contests were chiefly aldermanic, although in each of the various townships an assessor, collector, supervisor, or clerk was chosen. The chief interest centered in the aldermanic vote. Thirty-five of these officials were chosen, the republicans securing 19 and the democrats 16. The old city council contained 22 democrats, 3 republicans and one independent. The new council will contain 19 republicans and 16 democrats, making an equal number of council.  
Candidates where general partisan success were scored are given below: Republican—Hammann, Richman, Cook, Holsland, McHenry, Warren, Grundy, Mercer, Henry, Peoria, Kankakee, Vermilion, Effingham, Stephenson, Jo Daviess, Marion, Bond, Adams, Boone, Ford, Will, Cole, Henry, Marshall, De Kalb, Du Page, Sangamon, De Witt.  
Democrat—Gedgar, Hamilton, Clark, Christian, Saline, Woodford, Logan, Clinton, La Salle, Gallatin, Greene, Jackson, Mason, Macon, McDonough.

**Milwaukee, April 4.**—Mayor David S. Rose, democrat, triumphed at the municipal election in this city and carried the returns received here up to midnight. He will have a plurality of at least 2,000. William Dollow and John R. Wolf were re-elected treasurer and controller, respectively.  
The results of the municipal election throughout Wisconsin outside of Milwaukee show that where the republicans and democrats placed party tickets in the field the republicans gained the greater number of victories. In many instances, however, party lines were thrown aside and citizens' tickets were elected.  
Four circuit judges were elected, all without opposites, as follows: Fifth circuit, George Clementson, Lancaster; Sixth circuit, Orin B. Wyman, Verona; Eleventh circuit, A. J. Vinjo, Superior; Twelfth circuit, B. F. Dunwiddie, Janesville.  
**In Kansas.**  
Topeka, Kan., April 4.—Municipal elections were held throughout the state in cities of the first and second class. Party lines were maintained in most cases, and the returns received here up to midnight indicate that the republicans have generally been successful.  
**Missouri.**  
St. Louis, Mo., April 4.—Municipal elections were held Tuesday in many towns in Missouri. The results where party lines were drawn were on the whole favorable to the democrats.  
**Nebraska.**  
Lincoln, Neb., April 4.—Republicans elected their entire city ticket by normal majority, all members of the school board and five of the seven aldermen, a republican gain of one alderman. The new city council will stand: Eleven republicans and three fusionists.  
Omaha, Neb., April 4.—City and village elections were held throughout Nebraska, with the exception of the Omaha Evening Journal, died Saturday morning at West Liberty, of heart disease. He was a native of Ireland, coming to America in 1854.

Question Answered.  
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using any big else for indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied the end is nothing serious the matter with you. Sample bottles at A. K. Beltzhoover's.
