A ROYAL TARGET.

A Youthful Anarchist at Brussels Shoots at the Prince of Wales.

Brussels, April 5.—As the train was leaving the Northern station for the Southern railroad station, an individual fired a revolver at the prince of Wales, but missed his royal highness. The would-be assassin is a tinsmith, named Sipido, a resident of Brussels, 16 years of age. His pockets were found to be full of anarchist literature. He fired two shots at the prince. The princess of Wales and others were in the car, but no one was touched. When examined by the station officials, Sipido declared he intended to kill the prince of Wales, that he did not regret his action, and that he was ready to do it again if given a chance to do so. Sipido subsequently said he wanted to kill the prince of Wales "because he caused thousands of men to be slaughtered in South Africa."

DEWEY WOULD RUN.

Admiral Confirms the Statement That He Is a Candidate for the Presidency.

Washington, April 5.—Admiral Dewey confirms the report that he is willing to become a candidate for president and in an interview indicated that he did not intend to commit himself in any way to the politicians of either party, although he had no hesitancy in saying that he would be grateful to his friends. The admiral would express no preference as to which party he would accept a nomination from, but intimated that if neither of the parties nominated him, and he should still remain of the opinion that the American people wanted him as their president, he would give them the opportunity of expressing their preference by nominating him on an independent platform.

FIREMEN KILLED.

Two Lose Their Lives by the Burning of the Central School Building in Owosso, Mich.

Owosso, Mich., April 2.—Fire Sunday destroyed $150,000 worth of school property in this city, caused the death of two men and injury to five others. At seven o'clock in the morning the city's 15,000 people witnessed the burning of the central school, the largest building in this county. The dead are Fred Ross and Frank Tucker, firemen. The injured are Charles Beatty, fireman, and Frank Rulledge, Frank Davis and Solomon Vogel, school boys.

Theater Burned.

Chicago, March 31.—The Columbia theater, one of the oldest and most popular playhouses in the city, has been destroyed by fire, entailing a total loss of $190,000. The theater was as well known as any in the west. As "Haverley's theater" it had sheltered thousands of amusement-seekers long before Ellen Terry christened it with its present title. Most of the famous tragedians and comedians of the last decade, including Bernhardt, Irving, Mansfield and many others, have trod its boards.

May Be Called Off.

Chicago, April 5.—Admiral Dewey in all probability will not be a guest of Chicago on May 1 and the elaborate preparations for the celebration of Dewey day in this city are likely to come to naught. This is because the committee in charge of the affair finds that instead of planning a fete in honor merely of the admiral of the United States navy it is placed in the embarrassing position of prospective host to an aspirant for the presidency of the United States.

Another Body Recovered.

Charleston, W. Va., April 2.—The body of Ed. Hambrick, the trapper boy, was recovered Saturday from the Red Ashe mine, where there was such a disastrous explosion on March 6. This is the last body of the 50 victims to be recovered.

Big Hall Burned.

Kansas City, Mo., April 5.—Fire yesterday destroyed the hall intended for the democratic convention, also a church, school and half a block of buildings, the total loss being $400,000.
