Pontiac.

When, oh, when, will the republican committee be called together.

Your correspondent understands that there is a movement on foot to capure a couple of republicans and elect Mike Cleary chairman of the board of supervisors.

The republicans have a majority of the board of supervisors and will undoubtedly elect I. M. Lieb, of Sauemino, chairman of the board.—Free Trader and Observer.

John Buffham, of Dwight, owner of the pagn horse, B. R. B. B. was visiting with Pontiac friends Monday. It has not fully decided, but thinks he will come to Pontiac to train. Besides Birdie B. he has a two-year old pacer that shows any amount of speed.—Free Trader and Observer.

OVERWORK

You know all about it. The rush, the worry, the exhaustion. You go about with a great weight resting upon you. You can't throw off this feeling. You are a slave to your work. Sleep fails, and you are on the verge of nervous exhaustion.

What is to be done? Take

Ayer's Sarsaparilla

For fifty years it has been lifting up the discouraged, giving rest to the overworked, and bringing refreshing sleep to the depressed.

No other Sarsaparilla approaches it. In age and in cures, "Ayer's" is "the leader of them all."

It was old before other sarsaparillas were born.

Ayer's Pills aid the action of Ayer's Sarsaparilla. They cure biliousness.

25 cts. a box.

I have used Ayer's medicine for more than 40 years and have said from the very start that you made the best medicine in the world. I am sure your Sarsaparilla saved my life when I first took it 40 years ago. I am now past 70 and am never without your medicine."

Write the Doctor.

It you have any comp. also whatever and desire the best medical advice you can possibly receive, write the doctor freely. You will receive a prompt reply, without cost. Address: DR. J. C. AYER, Lowell, Mass.

Major M. R. Keeley was in Pontiac last week, and met a number of our people. He is looked upon here as a good, solid man, who would make a splendid senator.

A party of C. & A. officials passed through Pontiac on a tour of inspection of depots and grounds last week. It is given out that the depot grounds all along the road are to be embellished by flower plates and landscape gardening. If the officials would replace the old depot with one fitted for the public use, with decent closets, we could get along nicely without the flowers. The passenger travel in Pontiac over the Alton would certainly justify the erection of a modern depot.—Free Trader and Observer.

1,000,000 DEATHS.

FROM CHOLERA DURING THE PAST YEAR.

The Germs of this Fatal Disease are Lurking Everywhere! Thousands of Dollars Saved by his Wonderful Discovery.

Hundreds of thousands of dollars has been lost in the poultry business on account of the devastation among the flocks, caused by cholera, roup, gaps and other fatal diseases. There have been many remedies advanced, but none seem to be so successful as the American Poultry Mixture. This will cure chickens in the last stage of cholera and roup, and is excellent for gaps. Do your fowls suffer from violent diarrhea, drooping of the wings, stupor or excessive thirst? These are the first symptoms of cholera. Cholera is a germ disease and being infectious spreads rapidly through the entire flock. Take time by the forelock; don't stop to experiment with untried or untried remedies. Use this mixture at once and the sanitary measures they recommend in connection. Don't give the fowls up. Cholera is a terrible disease, but this remedy cures it every time. It is also guaranteed for roup, which can be told by hoarse breathing, swollen eyes, discharge at the nostrils, resembling catarrh. Fiftydollars is offered for any case the Mixture will not cure. If some of your fowls are affected it will prevent the rest from catching it. Try it. It is cheap, reliable and effective; a scientific preparation, goes more than three times as far as any other remedy; does more good than all of them combined. It is used and endorsed by the most experienced and largest breeders of plan and fancy poultry in all parts of the world. The manufacturer guarantees every package or refund purchase money. If your druggist don't sell American Poultry Mixture, he's behind the age. In that case send 1 for sample box to American Mfg. Co., Terre Haute, Ind.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your neighbors and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied the e is nothing serious the matter with you. Sample bottles at A. K. Beltzhoover's.

Spreads Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville O., writes: Electric Bitters are the best, selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudines of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, rundown man or woman. Price 50 cents.

Sold by A. K. Beltzhoover, druggist.

A Horrible Outbreak.

"Of large scope on my little daughter's head developed into a case of acal head" writes: C. D. Isbell of Morganton, Tenn., but Buckle's Arica Salve completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles.

Only 25c. at A. K. Beltzhoover, druggist.

That in addressing Mrs. Pinkham you are communicating with a woman—a woman whose experience in treating woman's ills is greater than that of any living person—male or female.

A woman can talk freely to a woman when it is revolving to relate her private troubles to a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they should have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examination of even their family physician. It is unnecessary. Without money or price you can consult a woman, whose knowledge from actual experience is unequalled.

Women suffering from any form of female weakness are invited to freely communicate with Mrs. Pinkham at Lynn, Mass.

All letters are received, opened, read and answered by women only.

This is a positive fact—not a mere statement. It is certified to by the mayor and postmaster of Lynn and the Women's Christian Temperance Union, whose letters, all in a little book, Mrs. Pinkham has just published. Thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken and has induced more than 100,000 sufferers to write her for advice during the last few months.

Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Here is one of the cases we refer to:

Miss Collier Writes for Mrs. Pinkham's Advice, Receives it, and is Made Well. Read Her Three Letters:

"DEAR MRS. PINKHAM—I have read in a paper of a young lady who was cured by the use of Lydia E. Pinkham's Vegetable Compound, and would like your advice in regard to my case. I have taken medicine, but do not see that it has helped me much. I have such dreadful cramps and pains at time of menstruation that it seems sometimes as though I could hardly stand it. I would be so thankful if I could find a cure for my trouble. Please tell me what to do."—Miss LILLIE M. COLLIER, Pigeon Run, Ohio, April 9, 1896.

"I received your letter in reply to mine and I followed your kind advice; have taken four bottles of your Vegetable Compound. I think it has helped me a good deal. How many bottles will effect a cure?"—Miss LILLIE M. COLLIER, Pigeon Run, Ohio, July 11, 1896.

"I again did as you advised me and now I feel it my duty to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. For five years I suffered untold agonies at time of menstruation. I have now taken twelve bottles of Compound and used three boxes of Liver Pills and am entirely cured of the dreadful pain I used to suffer. I advise all those who suffer with female weakness to write to Mrs. Pinkham, at Lynn, Mass."—Miss LILLIE M. COLLIER, Pigeon Run, Ohio, May 19, 1899.

Two More Women Who Acknowledge the Help They Have Received from Mrs. Pinkham.

"DEAR MRS. PINKHAM—The doctor says I have congestion of the womb, and cannot help me. There is itching in the right side of abdomen, hip, leg, and back. If you can do me any good, please write."—Mrs. NINA CHASE, Fulton, N. Y., December 20, 1897.

"DEAR MRS. PINKHAM—I followed your instructions, and now I want every woman suffering from female trouble to know how good your advice and medicine is. The doctor advised an operation. I could not bear to think of that, so followed your advice. I got better right off. I took six bottles of Lydia E. Pinkham's Vegetable Compound and used three packages of Sassafras Wash; also took your Liver Pills, and am cured."—Mrs. NINA CHASE, Fulton, N. Y., December 13, 1898.

"DEAR MRS. PINKHAM—Have been suffering over a year and had three doctors. At time of menstruation I suffer terrible pains in back and ovaries. I have headache nearly every day, and feel tired all the time. The doctor said my womb was out of place. Would be so glad if you could help me."—Mrs. CARL VOSS, Sac City, Iowa, August 1, 1898.

"Please accept my sincere thanks for the good your advice and Lydia E. Pinkham's Vegetable Compound has done me. I did everything you told me to do, and used only three bottles, and feel better in every respect."—Mrs. CARL VOSS, Sac City, Iowa, March 23, 1899.
