#### Campus.

J. Walsh is barbering for E. N. Waybright.

Thos. Walsh was in Dwight the first of the week.

Henry Meyers is living in the house recently occupied by J. F. Hance.

Mrs. T. J. Maloney and children visited relatives at Wilson the first of the week.

The Msquire residence is progressing rapidly and will soon be ready for occupancy.

M. Feebery is drilling on his land and the Campsites are again becoming interested thereabouts.

A mad dog scare the other day was the cause of the execution of every dog in Campus. The shot dogs seem to be making more trouble than any number of live dogs could. However it is not likely any of these dog troubles will get to Pontiac.

The departure of J. P. Hance was the occasion for one of the biggest farewells Campus has seen in a long while. The Royal Neighbors and the M. W. A., of which lodges he was a member, tendered him a farewell session and supper last week Friday night. It occurred in the M. W. A. hall and all had an enjoyable time.

#### Cardiff.

Mr. Gordon is suffering with a sore eye.

Mr. Kilne was a Herscher visitor, Sunday.

Mrs. Price was a Chicago visitor the last of last week.

Miss Nellie Madden, of Pontiac, is now working at the Cardiff hotel and her people have moved here.

A Junior team is getting in practice in Cardiff and baseball is likely to become interesting, not only among the older players, but among the boys.

We are incorporated by a unanimous vote of 77. The question of offices will be a hard one, for very few living here have been in the corporation for the required time. The new corporation covers 120 acres.

Romberger & Smith,

#### Braceville.

Reed Ferriss went to Chicago, Monday.

Quite a number attended the dance in the opera house Saturday night given by the Y. M. P. C.

P. C. Johnson preached in the M. E. church Sunday morning and evening in place of Rev. Boswell.

The Round Grove base ball players stopped here on their way home from Coal City, Monday. They were beaten by Coal City by a score of 11 to 8.

There will be some rattling good games here Decoration Day. Coal City, Round Grove and Braceville will contest for a prize. As the teams are well matched some close games are expected.

#### Pontiac.

Col. Smith, of Dwight, called on friends here Thursday.

R. F. Bradford attended the state central committee meeting in Chicago Monday.

Major M. R. Keeley was in Pontiac Thursday and visited in the west end of the county for the balance of the week.

Congressman Walter Reeves was here Monday. He stood the recent campaign in splendid shape and will be a candidate for congress and is sure of a unanimous renomination and election.

News comes from all over the county of the flagrant use of money by the Fort people in their efforts to carry the county for Fort for senator. But things have reacted in a way they did not expect and to-day there is no doubt of the nomination of Major Keeley. The more the people meet him and hear about him, the more confidence they have in him and there will practically be no opposition convention time. The people from all parts of the county are indignant to think Fort thought he could carry the county by using money, buying newspapers, etc., and will resent it generally at the caucuses. The good sense and honesty and intelligence of the Livingston county people is at stake, and they will choose their home candidate for senator, and teach the purely financial politicians a lesson.

Mrs. Cleve Ambrose and the baby were Dwight visitors the first of the week.

Miss Alice Longe, of Dwight, was on our streets, Wednesday, enroute for Manhattan.

A new set of instruments in the Wash ticket office makes the work easier and more convenient.

Mr. and Mrs. T. Reilly were in Chicago, Sunday. Mrs. Reilly remained there several days visiting.

Earl Nelson won the prize for getting his shoes first out of the barrel at the Sagwa show the other night. The boy's shoes were all thrown into a barrel and the boy who got his out and on first was to be rewarded with a fifty cent piece. The affair was very interesting.

Advertisers should always look for circulation when they pay money for advertising and get something for it. The STAR AND HERALD prints 1,250 papers each week, and two thirds of them go into families in and in reaching distance of Dwight merchants.
