#### GRAND CONCERT.

The best and most satisfactory concert that has ever been here occurred Sunday, the 27th.

Much pains had been taken to drill the pupils and the management should feel very proud of the result. The symphonies were deeply enjoyed, and a large audience attended throughout the entire program. The program ended with "Lost Among The Fairies", a play, which was very pretty and its several parts were very interestingly rendered by the children.

Father Humphrey is pleased with the result and in every respect considers that the concert was a big success. It was a financial and social success.

The variety of recitations running from humorous to pathetic and into the beautiful made the concert throughout most interesting and instructive.

There is considerable local talent here, and it is certainly being brought out strongly by the present management.
