Try Grain-O! Try Grain-O!
Ask your Grocer to-day to show you a package of GRAIN-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. GRAIN-O has that rich peat brown of Mocha or Java, but it is made from pure grains, and the most delicate stomach receives it without distress. 3/4 the price of coffee, 15c. and 25c. per package. Sold by all grocers.

Does Coffee Agree With You?
If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The child can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful beverage for old and young. 15c. and 25c.

Two Letters Which Prove That Lydia E. Pinkham's Vegetable Compound Will Remove Tumor and Cure Other Weakness.
"Two years ago I was a great sufferer from womb trouble and profuse flowing each month, and tumors would form in the womb. I had four tumors in two years. I went through treatment with doctors, but they did me no good, and I thought I would have to resort to morphine.
"The doctor said that all that could help me was to have an operation and have the womb removed, but I had heard of Mrs. Pinkham's medicine and decided to try it, and I wrote for her advice, and after taking her Vegetable Compound the tumors were expelled and I began to get stronger right along, and am as well as ever before. Can truly say that I would never had gotten well had it not been for Lydia E. Pinkham's Compound."—MRS. A. STAHL, Watsonston, Pa.

You
need not lose flesh in summer if you use the proper means to prevent it. You think you can't take SCOTT'S EMULSION in hot weather, but you can take it and digest it as well in summer as in winter. It is not like the plain cod-liver oil, which is difficult to take at any time. If you are losing flesh, you are losing ground and you need **Scott's Emulsion** and must have it to keep up your flesh and strength. If you have been taking it and prospering on it, don't fail to continue until you are thoroughly strong and well.
Scott & Bowen, Chemists, New York.

If a person is ill and needs a medicine it is not wise to get one that has stood the test of time and has hundreds of thousands of cures to its credit?
A great many women who are ill try everything they hear of in the way of medicine, and this experimenting with unknown drugs is a constant menace to the already impaired health.
This seems to us very unwise, for there are remedies which are no experiments and have been known years and years to be doing good.
Take for instance Lydia E. Pinkham's Vegetable Compound; for thirty years its record has been one unbroken chain of success. No medicine for female ills the world has ever known has such a record for cures.
It seems so strange that some people will take medicines about which they really know nothing, some of which might be, and are, really harmful; while on the other hand it is easily proved that over one million women have been restored to health by Lydia E. Pinkham's Vegetable Compound.
We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine.
All this should, and does, produce a spirit of confidence in the hearts of women which is difficult to dislodge, and when they are asked to take something else they say, "No, we want Lydia E. Pinkham's Vegetable Compound, which has been tried, and never found wanting, whose reliability has been established far beyond the experimental stage."
We have thousands of letters like the following addressed to Mrs. Pinkham, showing that

Monthly Suffering is Always Cured by Lydia E. Pinkham's Vegetable Compound, also Backache and Bearing-down Pains.
"I suffered untold agony every month and could get no relief until I tried your medicine; your letter of advice and a few bottles of Lydia E. Pinkham's Vegetable Compound really made me the happiest woman alive. I shall bless you as long as I live."—Miss JOSE SAUL, Dover, Mich.
"Four years ago I had almost given up hope of ever being well again. I was afflicted with those dreadful headache spells which would sometimes last three or four days. Also had backache, bearing-down pains, leucorrhoea, dizziness and terrible pains at monthly periods, confining me to my bed. After reading so many testimonials for your medicine, I concluded to try it. I began to pick up after taking the first bottle, and have continued to gain rapidly, and now feel like a different woman. I can recommend Lydia E. Pinkham's Vegetable Compound in highest terms to all sick women."—Miss ROSA HELDEN, 126 W. Cleveland Ave., Canton, O.

LAUGID
Many a school-girl is said to be lazy and shiftless when she doesn't deserve the least bit of it.
She can't study, easily falls asleep, is nervous and tired all the time. And what can you expect? Her brain is being fed with impure blood and her whole system is suffering from poisoning.
Such girls are wonderfully helped and greatly changed, by taking **Ayer's Sarsaparilla**
Hundreds of thousands of schoolgirls have taken it during the past 50 years. Many of these girls now have homes of their own. They remember what cured them, and now they give the same medicine to their own children. You can afford to trust a Sarsaparilla that has been tested for half a century. \$1.00 a bottle. All druggists.
If your bowels are constipated take Ayer's Pills. You can't have good health unless you have daily action of the bowels. If you are a boy, one box of Ayer's Pills cured my dyspepsia. L. D. CARR, Dan., N. Y.
