A Letter From Odell.

I feel twenty years younger than when I commenced taking Dr. Kay's Renovator. I do not have so much gas on my stomach and do not throw up my food after eating. I now eat about everything and anything and nothing seems to hurt me. I eat just like other people—something I have not done in three years. It operates so gently on the bowels. It has wonderfully improved my bowels which were in just as bad condition as my stomach when I commenced taking the Dr. Kay's Renovator. I now sleep as I did when a boy, scarcely waking the whole night. Before I had to get up two or three times every night. In fact, Dr. Kay's Renovator has made a new man of me. Before taking the Renovator I could not walk a block without stopping two or three times on account of the intense pain across my chest. I can now walk a mile or more without stopping. I am very thankful for the good it has done me. I shall recommend it at any opportunity. My bowels have not been so nearly natural for 30 years as since taking your Dr. Kay's Renovator."

FIRST—Because, if any member of the family has a hard cold, it will cure it.
SECOND—Because, if the children are delicate and sickly, it will make them strong and well.
THIRD—Because, if the father or mother is losing flesh and becoming thin and emaciated, it will build them up and give them flesh and strength.
FOURTH—Because it is the standard remedy in all throat and lung affections.
No household should be without it. It can be taken in summer as well as in winter.

Pontiac.

If any city was ever cursed with an inveterate old bore it is Pontiac and his name is Shankland.

Bert Torrance and Prof. Bangs were making presidents and vice presidents in Philadelphia this week.

W. H. Ketcham and family, of Dwight, were guests of Hugh Thompson and family Saturday.

"The lulaby by Grandma is too sweet for anything."—Leader. For the Lord's sake is Shankland going to sing again.

Every republican should now join hands with the county central committee and win a grand victory in November.

Col. F. L. Smith and J. R. Oughton, of Dwight, attended the republican county central committee meeting Thursday.

It is said our population is a little over 6,000. Pontiac is all right and if we had good newspapers upon which the people could rely it would be better still.

Charles Axt, of Odell, was in the city a few hours yesterday. He is closing up his business at Odell, having purchased an old and well established jewelry house in Rockford.—Leader.

They do say that poor old Shank wept over the result of the election in the republican county central committee. It was quietly hinted that he wanted to be chairman, but everyone was afraid he would attempt to sing.

The trick played by the Odell delegation at the county convention in naming Gower for committeeman, when Bemis was elected by the caucus, was nipped in the bud at the meeting of the committee Thursday. Gower was fired out and Bemis seated. This is merely justice.

The M. W. A. picnic was a hummer as far as the crowd was concerned, but there was lots of kicking about the entertainment. Head Consul Northcott was present but only spoke a short time. His talks are always interesting. Outside of that it was generally thought that the arrangements had fallen into the wrong hands. People like some action for their stuff.

Every time a crowd comes to town old Granny Shankland goes around saying he "wasn't bought." If ever there was a man thoroughly despised old disagreeable Shank is the man. When the fellows who bought him hate him and no one has any use for him, except as they can use him to do the dirty work, Shank hasn't sense enough to know the difference between doing dirty work and being in it, and there's nothing he would'nt do for a dollar.

The program arranged for the children's day exercises at the M. E. church was greatly appreciated by the large congregation present. The collection taken for the Loan Fund amounted to $10. The church was decorated very prettily for the occasion.

The Ladies Aid Society of the Congregational church will give an organ recital at the church at 8 o'clock Friday evening. A very pleasing program is being prepared for the occasion. HAIR

HELP
So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.
Ayer's Hair Vigor
acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed.
And the original color of early life is restored to faded or gray hair. This is always the case.
$1.00 a bottle. All druggists.
"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends."
MATTIE HOLT.
Burlington, N. C.
Sept. 24, 1898.
If you do not obtain all the benefits you expected from the use of the Hair Vigor, write the Doctor about it.
