Sick headache is cured by Hood's Pills. 25c.

We have a fine farm of 212 acres one mile from Dwight for sale on easy payments or will trade you for land around Dwight.—Romberger & Smith.

You never read of so many great cures elsewhere, as those effected by Hood's Sarsaparilla, did you? It is America's Greatest Medicine and possesses merit unknown to any other preparation. It is a wonderful invigorator.

There are other people besides chess players who move once a year.

There are no better pills made than DeWitt's Little Early Risers. Always prompt and certain. A. K. Beltzhoover. jy

Prices in fashionable London restaurants are increasing gradually.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. Sold by A. K. Beltzhoover. jy

"What," exclaimed the orator, "what two things are helping mankind to get up in the world?" "The alarm clock and the step ladder," answered the dense man in the rear of the hall.

When you want a modern, up-to-date physic try Chamberlain's Stomach and Liver Tablets. They are easy to take and pleasant in effect. Price 25c. Samples free at A. K. Beltzhoover's drug store. jy

Kansas has 300 flour mills, with a capacity of 10,000,000 barrels a year.

For burns, injuries, piles and skin diseases use DeWitt's Witch Hazel Salve. It is the original. Counterfeits may be offered. Use only DeWitt's A. K. Beltzhoover. jy

## ILLINOIS STATE NEWS.

### Pure Food Law.

The Illinois pure food law is now in effect. The penalty for using a false brand, mark, stencil or label is a fine of not less than $25 nor more than $200, or imprisonment in the county jail for 30 or 90 days, or both, for every offense committed by the retailer. The fine on the manufacturer who goes wrong is not less than $500 nor more than $1,000 for each offense. Besides forcing dealers to be honest with customers as regards quality, the law also will protect the public from paying prices for adulterants that ought to be charged for pure goods only.

### Duel on Horseback.

In Loudon township Monroe Tipsward was killed by Willis Lilly, his brother-in-law. It was a duel on horseback. Both were riding at breakneck speed, Tipswell following close behind Lilly, slashing him with a knife whenever he was able to reach him. Lilly dashed ahead of Tipsward, and when a few feet away drew his revolver and fired. The ball entered Tipsward's head and he fell from his horse dead. The murder was the culmination of a family feud which has existed for several years. Both families are well known in that part of Fayette county.

### Cost of Labor Troubles.

The Bricklayers' union has withdrawn from the Building Trades' council. Employers regard this action as the beginning of the end of the building tie-up in Chicago, but other unions say they will keep up the fight. The building trades trouble, which commenced last October, has affected 70,000 workingmen, of whom 35,000 are now idle, and 2,200 contractors; wages loss, $12,000,000; contracts in abeyance, $15,000,000; contractors' loss, $5,000,000; assaults committed, 150; fatal assaults, 5.

### Crop Outlook.

The following is the Washington weather bureau summary of crop conditions in Illinois:

Heavy rains in the southern and parts of the central district delayed harvesting of wheat and clover; good rains in northern district; condition of hay much improved, though the crop will not average full; wet weather damaging wheat both in shock and stack; otherwise prospects improved; oats, corn, potatoes and garden truck doing well; apple prospects deteriorating, fruit dropping badly, but an abundance is still on trees in many places.

### Owns the Battlefield.

Henry Ramsey, who lives about ten miles from Mount Vernon, has just come into an estate estimated at from $40,000 to $50,000 by the death of a sister at Nashville, Tenn. The estate consists of 600 acres of land on the outskirts of Nashville. During the civil war the old man, who was a union soldier, fought two days and nights on this land. He has for many years been in straitened circumstances.

### Spanish War Claim.

A certificate for the sum of $213,112 was made out and signed by the auditor of the war department in Washington in favor of the state of Illinois, this tidy amount being a major portion of what Uncle Sam will remit to the state on claims for pay of soldiers serving in the Spanish-American war.

### Will Make It Fireproof.

The supervisors of McLean county have decided to reconstruct the courthouse instead of building a new one. They will spend $200,000 in making it an absolutely fireproof structure, complete in all respects. While it is being built the Turner hall will be occupied as a courthouse.

### Shot Dead.

Samuel Chance, while trying to board a scow on the Illinois river at Spring Valley, was shot dead with a shotgun by the owner, Orpheon Ruff. Chance's head was nearly blown off by the charge. Ruff was hastily taken to Princeton jail, as a lynching was feared.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronunced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best. jy
