

CONGRER SENDS AN APPEAL

Belated Note Written from Peking July 4 Says General Massacre Was Imminent.

RELIEF MUST COME AT ONCE, IF AT ALL

Chinese Troops Are Killing Boxers—Dissemination May Help to Restore Peace—Tribute to American Valor—Russians Ready to Bombard Coast Towns.

Washington, July 26.—The following cablegram has been received at the navy department:

Chefoo, July 24.—Navigation Bureau, Washington: A written message, signed C. Chefoo, dated July 4, was received at Tientsin the 21st, and says: "I have been besieged two weeks in British legation. Grave danger of general massacre by Chinese soldiers, who are shelling the legation daily. Relief soon, if at all. City without government, except by Chinese army, determined to massacre all foreigners at Peking. Entry of relief forces into city will probably be hotly contested."

The message comes from Capt. Charles M. Thomas, commander of the Brooklyn.

Doubt Not Disappointed.

Washington, July 26.—The receipt at Tientsin of an undoubtedly genuine and authentic message from Minister Conger has done nothing to dissipate the doubt as to the situation at Peking. The message, which was forwarded by the naval officers at Tientsin, Taku and Chefoo, has indeed served only to deepen the darkest and saddest mystery of the century. The official conclusion remains unchanged, of course, but it is admitted that a careful scrutiny of the autograph message, in comparison with the famous cipher message from Minister Conger, admits of the belief that the two messages were dictated by Mr. Conger at about the same time. The situation at the British legation is represented to be the same in each case, and as Mr. Conger declares that relief must come quickly if at all, there is ground for the supposition that conditions could not long have remained unchanged in such a crisis.

The assumption that this reasoning is correct involves the further conclusion that Mr. Conger's cipher message, if genuine, was redated as of the 15th of July, two weeks later than the date of actual writing, and of course, if redated at all, that was done by Chinese officials.

Tribute to American Valor.

Tientsin, July 16, via Chefoo, July 24.—Gen. Dordard, the British commander, has sent to the American commanders a letter in which he says: "I desire to express the high appreciation of the British troops of the honor done them in serving alongside of the troops of the American army, and of the high honor accorded me in having them under my command. I blame myself for the mistake made in taking their position in the front, not remembering that troops fresh to the scene of action and hurried forward in the excitement of attack were likely to commandeer the position they took and gallantly attack to all day undoubtedly prevented a large body of the enemy from turning the right of the attacking forces into a serious loss on the French and Japanese sides."

Ready to Bombard Towns.

London, July 26.—The Daily Express has the following from St. Petersburg: Admiral Skrydeloff, commanding the Russian squadron in Chinese waters, has received precise instructions to bombard the Chinese coast towns immediately on receipt of confirmation of the report of the massacre at Peking.

Chinese Killing Boxers.

Tientsin, July 25 (via Shanghai, July 26).—Chinese coming in from the country report that the Chinese soldiers are killing the Boxers wherever the latter are seen, giving as a reason that the Boxers deceived them into embarking on a hopeless struggle.

Sign of Disension.

An intelligent Chinaman said he regarded this as a sign of widespread disension. It was only a matter of a short time, he declared, before the same state would exist in Peking, when, in all probability, Jung-Lu, commander-in-chief of the Chinese forces, and Prince Ching would be able to regain sufficient influence to make peace, especially if the foreigners in the capital were safe. This appears to represent the general native opinion here as far as it is possible to ascertain it.

Americans Going Home.

Most of the Americans that were sick and wounded here have been taken in boats to Taku, where they will embark on the American hospital ship Solace for the United States.

Troops at Taku.

Shanghai, July 26.—Three thousand American troops have arrived at Taku as well as eight transports filled with British troops. Both detachments are deficient in artillery.

A Costly War.

London, July 25.—The supplementary estimates necessary by the proclamation of £11,500,000 in South Africa amount to £24,500,000, making a total of £36,000,000 voted for this purpose, and bringing the total army estimates up to £76,309,153.

Killed by Lightning.

Fort Scott, Kan., July 24.—Three threshers working on the Kennedy farm near here were killed by a bolt of lightning Monday evening.

Eleven Negroes Drowned.

Tuskaloosa, Ala., July 24.—Eleven negro men were drowned in the Warrior river, near Akron, Ala., Monday, by the capsizing of a skiff.

Race Riot.

New Orleans, July 25.—In a race riot in this city Robert Charles (colored) killed three policemen and escaped.

IN THE PHILIPPINES.

Result of the Fighting During Last Week—Amnesty Resolutions Sent to Aguinaldo.

Manila, July 23.—It is officially stated that last week 200 insurgents were killed and 130 surrendered or were captured. A written message, signed C. Chefoo, dated July 4, was received at Tientsin the 21st, and says: "I have been besieged two weeks in British legation. Grave danger of general massacre by Chinese soldiers, who are shelling the legation daily. Relief soon, if at all. HOME RULE FOR CUBANS

President McKinley Plans to Withdraw American Forces from the Island Shortly.

CHANGE FOR AN INDEPENDENT REPUBLIC

Conditions Insuring Peace and Honest Government Must Be Agreed To—All Rests with the Native—If Their Constitution Satisfies Congress Uncle Sam Will Step Aside.

Washington, July 21.—Cuba is likely to become nominally an independent republic, with certain reservations that will virtually make the island a self-governing colony of the United States, within six or eight months from this date.

These are the plans formed by President McKinley and the cabinet during the past few days, when the president and his advisers had opportunity to consult with Gov. Wood concerning the future of the island.

Date for Election.

September 15 has been decided upon as the date for holding an election in Cuba for delegates to the convention that is to be called for the purpose of making a constitution for the republic. It is expected that the convention will be called to sit in Havana about the middle of October.

Depends on the Constitution.

As to whether or not the United States is to withdraw from Cuba at an early date, much depends upon the sort of constitution which this convention may think it wise to adopt. If it adopts a constitution which, in the opinion of the administration or of congress, insures the carrying out of the pledge given by the United States to see that a stable government is established in Cuba, and the establishment of a stable government follows, the United States will retire during the coming winter or early in the spring and turn the control of the island over to the Cuban people.

Conditions Required.

The significant part of the programme lies in the conditions which the administration is disposed to insist upon in the new constitution. While sovereignty is to be nominally vested in the Cuban people, and the republic is, in name at least, to be free and independent, there are certain reservations which the United States, in case congress upholds the president, will insist upon. These are:

- 1. The foreign relations of Cuba to be managed through the American government at Washington.
- 2. Cuba to have no power to declare war without the consent of the United States.
- 3. The United States government to have a veto power over legislation creating the Cuban debt beyond certain limits to be set forth in the new constitution.
- 4. The United States to have a certain well defined supervision over the Cuban treasury.
- 5. The United States to retain for a period of years, not definitely fixed, the control of the fortifications which command the port of Havana and other important cities of the republic.

American Sauterity.

Gen. Wood says the more intelligent people of Cuba are thoroughly convinced that some sort of American suzerainty over the new republic is imperative for their good, and the chief difficulty anticipated lies with men of the professional political stripe. But these are likely to be appeased by a chance to control all the official patronage of the new government.

Notionally a Republic.

The general idea of the administration and of the property-holding and most influential classes of Cuba is to try local self-government as a sort of ward or colony of the United States, subject to wholesome restraints, and if that works well gradually to assume a status more closely approximating true independence.

In other words, Cuba should, for a time at least, become nominally a republic, but really a self-governing American colony, occupying relations to the United States similar to those sustained by Canada or Australia or New Zealand to Great Britain.

Women Remember This Fact

That in addressing Mrs. Pinkham you are communicating with a woman—a woman whose experience in treating woman's ills is greater than that of any living person—male or female.

A woman can talk freely to a woman when it is revolving to relate her private troubles to a man. Many women suffer in silence and drift along from bad to worse, knowing full well that they should have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examination of even their family physician. It is unnecessary. Without money or price you can consult a woman, whose knowledge from actual experience is unequalled. Women suffering from any form of female weakness are invited to freely communicate with Mrs. Pinkham at Lynn, Mass.

All letters are received, opened, read and answered by women only.

This is a positive fact—not a mere statement. It is guaranteed by the Women's Christian Temperance Union, whose letters, all in a little book, Mrs. Pinkham has just published. Thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken and has induced more than 100,000 sufferers to write her for advice during the last few months.

Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Here is one of the cases we refer to:

Miss Collier Writes for Mrs. Pinkham's Advice, Receives it, and is Made Well. Read Her Three Letters:

"DEAR MRS. PINKHAM—I have read in a paper of a young lady who was cured by the use of Lydia E. Pinkham's Vegetable Compound, and would like your advice in regard to my case. I have taken medicine, but do not see that it has helped me much. I have such dreadful cramps and pains at time of menstruation that it seems sometimes as though I could hardly stand it. I would be so thankful if I could find a cure for my trouble. Please tell me what to do.—MISS LILLIE M. COLLIER, Pigeon Run, Ohio, April 9, 1899.

"I received your letter in reply to mine and I followed your kind advice; have taken four bottles of your Vegetable Compound. I think it has helped me a good deal. How many bottles will effect a cure?—MISS LILLIE M. COLLIER, Pigeon Run, Ohio, July 11, 1899.

"I again did as you advised me and now I feel it my duty to tell you that Lydia E. Pinkham's Vegetable Compound has done for me. For five years I suffered untold agonies at time of menstruation. I have now taken twelve bottles of Compound and used three boxes of Liver Pills and am entirely cured of the dreadful pain I used to suffer. I advise all those who suffer with female weakness to write to Mrs. Pinkham, at Lynn, Mass.—MISS LILLIE M. COLLIER, Pigeon Run, Ohio, May 10, 1899.

Two More Women Who Acknowledge the Help They Have Received from Mrs. Pinkham.

"DEAR MRS. PINKHAM—The doctor says I have congestion of the womb, and cannot help me. There is aching in the right side of abdomen, hip, leg, and back. If you can do me any good, please write.—MRS. NINA CHASE, Fulton, N. Y., December 20, 1897.

"DEAR MRS. PINKHAM—I followed your instructions, and now I want every woman suffering from female trouble to know how good your medicine is. The doctor advised an operation. I could not bear to think of that, so followed your advice. I got better right off. I took six bottles of Lydia E. Pinkham's Vegetable Compound and used three packages of Sanative Wash; also took your Liver Pills, and am cured.—MRS. NINA CHASE, Fulton, N. Y., December 12, 1898.

"DEAR MRS. PINKHAM—Have been suffering for over a year and had three doctors. At time of menstruation I suffer terrible pains in back and ovaries. I have been nearly every day, and feel tired all the time. The doctor said my womb was out of place. Would be so glad if you could help me.—MRS. CARL VOSS, Sac City, Iowa, August 1, 1898.

Please accept my sincere thanks for the good your advice and Lydia E. Pinkham's Vegetable Compound has done me to do, and used only three bottles, and feel better in every respect.—MRS. CARL VOSS, Sac City, Iowa, March 23, 1899.
