NEIGHBORING NOTES.

Gardner.

Harry Johnson and family are expected here this week from Kentucky.

The township Sunday school convention was held Sunday in the Baptist church.

Miss Cora Small has returned from Morris, where she has been visiting Mrs. M. Wolsey.

The Sunday school of the Presbyterian church gave its picnic Tuesday at Henry Watter's grove.

LaForce Bailey returned from Wilmington Saturday, where he has been visiting his aunt for the past six weeks.

The baseball game held at the ball park between Braceville and Gardner, resulted in a score of 16 to 1, in favor of Braceville.

Quite a number from here will go on the excursion Aug. 15, to St. Joe, to see the big peach farms just at the time when they are ripe.

There is considerable interest in this locality about the \$1.50 week day excursion to St. Joe, Mich., August 15, and quite a number from here will go and take well-filled lunch baskets and enjoy a genuine day of pleasure.

Pontiac.

Assessor Kelagher was in town Tuesday.

Dr. Daley has gone to England for business and pleasure.

J. R. Oughton and Col. Smith, of Dwight, were in the city, Monday.

A local Sons of Veterans camp will be organized here soon, composed of splendid material.

The democratic county convention is called for Aug. 15. The republicans will have it all fixed by that time.

Great preparations are being made for the races. Secretary Bradford was in Ohio last week living up horses, and he done it.

Congressman Dolliver, of Iowa, will speak at the Chautauqua next Thursday. He is one of the ablest republican speakers in the country. All invited.

The Chautauqua is pretty near over and it was a hot time and the stockholders made a nice little roll. It's a pretty good investment.

The board of review isn't doing a thing but hunting up mortgages and doing their level best to make people pay their honest taxes. They will have the backing of every honest man in the county regardless of politics. It would be a good thing if they would make an example of someone.

The death of Herbert DeMoss, of Company F, was a horrible one. Heated encampment last week at Springfield and stayed over and came up on a freight and fell between the cars and was run over and terribly cut up. The remains arrived here Tuesday and were met by the company. He served in the late war and was an excellent soldier.

There was quite a sprinkling of democrats here Tuesday to hear John P. Altgeld and attend the committee meeting. John Peter made an eloquent speech in which he condemned the republican administration from a to izzard, but he never said a word about the present good times. John P. will have a hard time convincing the patriotic people of this vicinity that the soldier boys in Manila are fighting on the wrong side.

The republican executive and organization committee met here Monday. The former assessed the candidates about the same as four years ago. The latter talked over the organization problems and recommended the organization of clubs in every town and township in the county, which will undoubtedly be done. Active work is now on. Polls will be made of every township where they have not been made. The indications are that the republican vote will be larger than ever in Livingston county.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspeptics used to starve themselves. Now Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. It radically cures stomach troubles. A. K. Beltzhoover.

Braceville.

B. D. Miller spent Sunday with his family here.

Ned Jones is visiting with his mother, Mrs. A. Jones.

Misses Lottie Hughston and Margaret Malcolm, who have been attending school at Normal, returned home Sunday.

Miss Carrie DeNormandie and Ry Smith, who attended the institute at Morris last week, returned home Saturday evening.

Quite a number from here will go on the excursion August 15, to St. Joe, to see the big peach farms, just at the time when they are ripe.

The social given by the ladies of the People's Congregational church, Saturday night was a decided success and was well attended. Cake and ice cream was served and all present spent the evening most pleasantly.

Clara Fox, of Morris, who has been visiting with her grandmother, Mrs. Z. Bailey, sr., returned to her home yesterday, accompanied by Miss Sallie Spirs, who will visit with the Fox family for a few days.

There is considerable interest in this locality about the \$1.50 week day excursion to St. Joe, Michigan, August 15, and quite a number from here will go and take well-filled lunch baskets and enjoy a genuine day of pleasure.

The song service in the M. E. church Sunday evening was largely attended, and much credit is due to the choir and its leader, Francis Williams, for the evening's entertainment. Each number was well rendered. Noticeable on the program was a solo entitled, "Unanswered Yet," which Miss Lena Lagerquist sang in a most pleasing manner, and which was greatly appreciated by all. We hope that we will be given another such treat in the near future. Good singing is always a drawing card, and will bring the people out to church any time.

Union.

Mike Higgins, of Odell, was at Loretto Sunday.

Will Kline made a business trip to Pontiac Friday.

Threshing is in full progress now and oats are yielding well.

After quite a long illness Mr. Joseph Mies passed away on Wednesday July 25. He was buried in the Loretto cemetery on Friday. The deceased leaves seven boys and one daughter and many relatives and friends to mourn his loss.

The quicker you stop a cough or cold the less danger there will be of fatal lung trouble. One Minute Cough Cure is the only harmless remedy that gives immediate results. You will like it. A. K. Beltzhoover, a Romberger & Smith,
