A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

PEPSIN SYRUP CO.

Dear Sirs:—I feel it my duty to write to you and let you know how much good your medicine has done for me. Twenty-three years ago I was taken with some kind of stomach trouble and I tried everything I heard of. They did me but little good. Three years ago neuralgia set in on me and I got so poor and weak that I could hardly walk—couldn't work any. My husband received a book through the mail, advertising your medicine, and he sent our little boy to the drug store to get one of your ten-cent bottles. I began to use it. It is strange to say, but it's the truth, the second dose I took gave me lots of relief. I kept on using it till I used it nearly one year and now I am nearly as strong as I used to be and can do any kind of work. I recommend it to all, for it seems to me it would cure anybody. I have gotten several to use Dr. Caldwell's Syrup Pepsin and they all say it has done them so much good. God bless Dr. Caldwell and his medicine for doing me so much good. Yours with respect, Mrs. Isabell Wheeler, Freetown, Jackson Co. Ind.

Best Way to Cure Backache.

Backaches are caused by disorder in the kidneys. Foley's Kidney Cure will make the kidneys right. A. K. Beltzhoover, Dwight, C. V. Green, Braceville.

Buchanan, Mich., May 22. Genessee Pure Food Co., Le Roy, N. Y.: Gentlemen:—My mamma has been a great coffee drinker and has found it very injurious. Having used several packages of your GRAIN-O, the drink that takes the place of coffee, she finds it much better for herself and for us children to drink. She has given up coffee drinking entirely. We use a package every week. I am ten years old. Yours respectfully, Fannie Williams.

Washington, D. C., Genessee Pure Food Co., Le Roy, N. Y.: Gentlemen:—Our family realize so much from the use of GRAIN-O that I feel I must say a word to induce others to use it. If people are interested in their health and welfare of their children they will use no other beverage. I have used them all, but GRAIN-O I have found superior to any, for the reason that it is solid grain. Yours for health. C. F. Myers.
