Anyone having a vehicle of any kind should not be molested with that awful rattle, but should take it to JOHN SMITH, the old reliable Plow Smith, all kinds of steel and edge tool smith, inventor and manufacturer of Smith's Ball Bearing Disc Sharpener, J. J. SMITH on East Mazon Ave. Street and have the tires set and he will stop the noise, and he says if he dishes one wheel he will replace four new ones. That's a good bargain. There's no flies on John.

THE TOURNAMENT.

Cardiff wins Saturday's game by a Score of 5 to 4.

Saturday the 11th, the second contest of the tournament games took place at Cardiff and resulted in a score of 5 to 4 favor of Cardiff. The Dwight nine left here about noon and took the championship banner with them. The weather was threatening and about the middle of the game it began to rain and the diamond was soon in bad shape for any kind of ball. The contestants played the game out however, putting up a good contest. Cardiff got two tallies in the sixth inning and three in the seventh.

Arne Orr umpired for Dwight and Welch for Cardiff. The next and last game is played here today, and it will be a warm one. Dwight and Cardiff have both won two games, the Cardiff team having won one game from Kankakee and one from Dwight, and Dwight has won one from Kankakee and one from Cardiff. Kankakee pulled out of the contest last Saturday that is, she stayed at home, so the game today will be between Cardiff and Dwight.

NOTES.

The championship banner is on exhibition at Beltzhoover's drug store this week.

Tinsman played the same kind of ball as he did at Kankakee.

We will hope for better luck today.

STREATOR-ROUND GROVE.

The game between Streator and Round Grove Aug. 12, resulted 7 to 2 favor of Round Grove. The weather was fine and both nines put up a good contest.

Republican Meeting.

A meeting for a conference regarding the organizing of a republican club was held last Wednesday night. Committeeman F. L. Smith called the meeting to order and was elected chairman and W. G. Dustin was named for secretary. After an informal talk a committee was named by the chair on organization of club as follows:
L. A. Naffziger, Jas. Seabert, John O'Malley, Simon Sundergaard, H. F. Adams, and these are authorized to add to the committee.

The following committee was named to secure a place of meeting: W. H. Doty, F. A. Haise and A. Bovik.

There was quite a large attendance at the meeting and reports made would indicate the party and organization in good shape in and around Dwight.

Struck by Lightning.

During the storm Tuesday night lightning struck Geo. Essington's barn burning up the contents including four horses, the corn cribs, sheds, straw stacks and all the buildings excepting the house and a small granary containing about 800 bushels of oats. The fire started about 2 o'clock in the morning and it was impossible to get help in time to save anything but the above mentioned buildings. Mr. Essington's favorite dog was in the barn and perished with the stock.

DIDN'T KETCHAM.

Democratic County Convention Held in Pontiac, Tuesday.

The last of the political conventions for Livingston county was held in Pontiac, Tuesday, and was a large and enthusiastic one. The chairman of the county committee, R. F. McIlhenny, called the convention to order and in a short speech predicted victory. J. C. Corbett, of Chatsworth, was chosen temporary chairman, and also seated victory in the air. G. H. Franzen, the secretary of the committee, read the call.

On motion of Assessor Kelagher, the following committee was selected on credentials: Brydia, Kelagher, Norton, Duffenbaugh and Studley, who reported all precincts fully represented except Sunbury, Union and Esman.

The following committee on permanent organization reported Austin Gibbons as permanent chairman, and Franzen secretary.

The chair appointed T. N. Young, P. E. Harrington, J. A. Kerrin as tellers, and nominations were in order. Everything was unanimous, except the states attorney, and Pontiac got two out of the four nominations.

C. S. Brydia placed in nomination J. M. Carter, of Forrest, for circuit clerk, and Ed Johnson moved that it be unanimous, and it was.

B. A. Buck, of Dwight, placed in nomination for states attorney, Hon. W. H. Ketcham, of Dwight, and Dr. John Ross nominated W. C. Graves, of Pontiac, but Dwight was shut out by a vote of 118 to 39, and Graves' nomination was made unanimous. It was generally conceded that Ketcham was by far the best man, but Graves had too large a pull.

Ira McVey, of Amity, was nominated for surveyor by acclamation, and Dr. J. B. Baker, of Pontiac, for coroner.

The following resolutions were adopted:

Resolved, That we hereby reaffirm the platforms adopted by the democratic state convention at Springfield, Ill., and the national convention at Kansas City, and we declare the principles embodied in those platforms to be the principles of the democrats of Livingston county.

Resolved further, That, in the event of a vacancy in the county ticket from any cause, the executive committee of the county central committee be and is hereby authorized and empowered to fill any such vacancy.

The irrepresible Shay, of Streator, was present and made a speech, and to the everlasting credit of the democrats of Livingston county, they wished Shay had stayed at home.

The following is a partial list of the delegates present:

Broughton—A. P. Nenhoff, R. B. Fowler, J. B. Watts, R. J. Flood, Thos. Thirby, John McNamara.

Sons of Veterans Excursion.

The St. Joe excursion Wednesday was not granted the clear sky nor sunshine that was hoped for, but the excursionists had a delightful time during the afternoon for the clouds made the air cool. The train of five coaches and baggage car left Dwight about 7 a. m. and it took up a platform full of excursionists. At Wilson and Reddick stops were made and more excursionists added. At the latter place the crowd shouted "St. Joe" with a vim that showed weather cut no figure in their calculations. Kankakee added some to the crowd, and then Momenca Across Indiana the run was rapid made, and at the junction of the C. & W. V., the fifteen mile railroad being built through the swamp lands, large herds of fine cattle began to appear.

Good lemonade and "never to be forgotten" sandwiches, that tasted like more, peanuts, pop, etc., were offered the excursionists on the train, and the commissary department was certainly all right. The train pulled into St. Joe, about noon and the excursionists scattered for a visit around town, down to the beach or up the river. Many went over to Benton Harbor and took the steamer "City of Chicago" back.

The stern wheeler "Tourist" made an eight mile trip up the St. Joseph river leaving the dock at 2 p. m. A short distance up the river the peach orchards began to appear on the left, along the sloping cliffs. They were regularly and prettily arranged and occurred continuously as the river curved in and out.

At Benton Harbor the excursionists saw the immense fruit warehouses and the transferring of the fruit to the docks. Nearly everybody brought peaches home with them. At regular intervals the boat made landing at the many camping places also at Motta landing where the Hamilton and Haise families are summering.

The St. Joseph river is a beautiful stream and its islands and bends are natural camping grounds.

The excursion was a success, the day was dustless and the accommodations were very satisfactory.

Everybody who went had a good time and are unanimous in complimenting the S. of V. excursions. The attractions at St. Joe such as the beach and the interesting sights up and down the river and at the docks are certainly more than worth the cost of the trip. The camera can be used constantly on the beautiful scenery, and if "Our Happy Days Camps," or the "Joly Bunch" camp on the St. Joseph were located they would be good souvenirs. A description of these various camps up the river would be very interesting.
