ALLEGED PLOT IS NIPPED.

Suspected Anarchists Arrested by Secret Service Officers in New York.

REDS WILL BE PROMPTLY DEPORTED.

Warning Sent from Italy That They Were Coming to Assassinate President McKinley--Men Protest Their Innocence, But They Are Suspicious Characters.

New York, Aug. 18.—Natalie Moresca, an ex-convict, and Michael Guida, Italians, who were reported on their way to this country to attempt the assassination of President McKinley, were arrested at the North German Lloyd pier in Brooklyn by secret service officers. They are now detained, it is thought, by the immigration officials somewhere in this city.

Came from Italy.
They arrived direct from Naples on the Kaiser Wilhelm II. Thursday evening. The vessel was at once boarded by W. P. Hazen, head of the local office, under instructions from Chief Wilkie, of Washington, and the men were placed under arrest.

An investigation has since been going on into the history of the men. While nothing so far has been found to identify them with any secret society of Italy or as being anarchists, it has been found that Moresca is an ex-convict. The history of Guida is now being looked up.

Warning Came from Naples.
The information on which the men were arrested was received by Chief Wilkie on August 1 from Naples, and he has been on the lookout ever since. The secret service officials were informed that the two men were about to leave Italy with the avowed purpose of killing the president. Descriptions of the two men were furnished by the informant, and there was no trouble in arresting them on their arrival.

Protest Their Innocence.
The men protest their innocence, but they are suspicious characters. It is hard to tell what will result from the investigation, but it is likely that both will be deported. Moresca will have to go back beyond doubt, as an ex-convict cannot land in this country under the immigration laws.

Fourteen in the Plot.
New York, Aug. 20.—Further developments in the case of Natalie Moresca and Michael Guida, the Italian anarchists who were arrested here before they had landed from the Kaiser Wilhelm II. and who are believed to have crossed the ocean for the express purpose of assassinating President McKinley, reveal that instead of two there are 14 anarchists under arrest at the detention prison of the bureau of immigration, and all of them are charged with being in the conspiracy against the life of the president. The 14 men did not all come over from Europe on one steamer. They have been strung along, one at a time or in pairs, for the last ten days. The secret service men were watching for them, however, and they were promptly arrested on arrival.

A Letter From Odell.
I feel twenty years younger than when I commenced taking Dr. Kay's Renovator. I do not have so much gas on my stomach and do not throw up my food after eating. I now eat about everything and anything and nothing seems to hurt me. I eat just like other people—something I have not done in three years. It operates so gently on the bowels. It has wonderfully improved my bowels which were in just as bad condition as my stomach when I commenced taking the Dr. Kay's Renovator. I now sleep as I did when a boy, scarcely waking the whole night. Before I had to get up two or three times every night. In fact, Dr. Kay's Renovator has made a new man of me. Before taking the Renovator I could not walk a block without stopping two or three times on account of the intense pain across my chest. I can now walk a mile or more without stopping. I am very thankful for the good it has done me. I shall recommend it at any opportunity. My bowels have not been so nearly natural for 50 years as since taking your Dr. Kay's Renovator."

In India, the land of famine, thousands die because they cannot obtain food. In America, the land of plenty many suffer and die because they cannot digest the food they eat. Kidney-pain, peptic Cure digests what you eat. It instantly relieves and radically cures all stomach troubles. A. K. Beltzhoover.

The dread of people with weak lungs who suffer from stubborn coughs is consumption. Foley's Honey and Tar, if taken in time, cures the cold, heals and strengthens the lungs and always cures incipient consumption. A. K. Beltzhoover, Dwight, C. V. Green, Braceville.

Chinese are dangerous enemies, for they are treacherous. That's why all counterfeits of DeWitt's Witch Hazel Salve are dangerous. They look like DeWitt's, but instead of the healing hazel they all contain ingredients liable to irritate the skin and cause blood poisoning. For piles, injuries and skin diseases use the original and genuine DeWitt's Witch Hazel Salve. A. K. Beltzhoover.

For Whooping Cough.
"Both my children were taken with whooping cough," writes Mrs. O. E. Dutton, of Danville, Ill. "A small bottle of Foley's Honey and Tar gave such relief that I used a 50 cent bottle, which saved me a doctor's bill." Nothing else so good. A. K. Beltzhoover, Dwight, C. V. Green, Braceville.
