OBITUARY.

This community was shocked and saddened to know of the death of Mrs. James Donaldson at her home August 23, at 3 a. m., and the places of business were closed August 29, the afternoon of which day at 2 p. m., the funeral occurred. Deceased had been an invalid and great sufferer from paralysis for many years and although it was a sad loss to the family, they know that her sufferings are over.

Miss Ellen Pettigrew was born in Belle Hill, Scotland, March 6, 1851, marrying James Donaldson, December 8, 1870. They came to America in 1880.

Nine children were born to them, four being deceased. There remain four sons and a daughter. Deceased was a staunch Presbyterian. She leaves four sons, James, Thomas, John and Robert, a daughter, Mrs. Gertrude Holt, of Iowa. Mrs. John Pettigrew, of Roanoke, and Mrs. Alexander Pettigrew, of Oglesby, were wired, but the latter could not reach Cardiff in time to attend the services. Services were held at home of deceased, Rev. Carney, of Sibley, officiating. A beautiful broken wheel was presented by Mrs. S. S. Smith, of Reddick, and there were other floral decorations. Interment was at Round Grove. The community joins the family in mourning their sad loss. Deceased, despite her great suffering, had a beautiful, cheery disposition and will be sadly missed.

We sincerely thank all those who extended sympathy and aid during the illness and after the death of our loved one.

Gray.

Why let all your neighbors and friends think you must be twenty years older than you are?

Yet it's impossible to look young with the color of 70 years in the hair. It's sad to see young persons look prematurely old in this way. Sad because it's all unnecessary; for gray hair may always be restored to its natural color by using—

Ayer's Hair Vigor

For over half a century this has been the standard hair preparation. It is an elegant dressing; stops falling of the hair; makes the hair grow; and cleanses the scalp from dandruff.
