CONSTIPATION

"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief; such was my case until I began taking Cascarets. I now have from one to three passages a day, and if I was rich I would give \$100.00 for each movement; it is such a relief."

Romberger & Smith,

Wanted to "Lick the Spoons."

Indianspolis, Ind. Nov. 16, '99.

Pepsia Syrup Co. Dear Sirs:—We have been keeping house for five years and are never without Dr. Caldwell's syrup Pepsin. We find nothing to equal it for stomach troubles and my children like it as well as candy. One night recently my wife was giving a dose to our little girl, 4 years old and Nelda (our little girl, 1 1/2 years old) cried for some, too. Her mamma told her she didn't need it and then she said: "Can't I lick the spoon?" It is so pleasant to take, the effects are so good, we hate to be without Dr. Caldwell's Syrup Pepsin.

Yours truly,
