### Pleasant Surprise.

A number of friends greatly surprised Mrs. F. M. Davis last Friday evening, it being her birthday. They presented her with a beautiful piece of silverware. A general good time followed after which refreshments were served. The guests departed at a late hour wishing Mrs. Davis many more birthdays as pleasant as that one.

### School News.

Roley Bovik was a visitor the first of the week.

Our tardy list is increasing at an enormous rate.

David Leach visited the High School Friday afternoon.

The Juniors have had several secret and stormy meetings.

Miss Carter of Canada is visiting with Winnie and Louie Leach.

The Seniors held a long and interesting meeting Tuesday morning.

The Am. Lit. class are reading Irving's "Legends of Sleepy Hollow."

The first society program will be given by the Benedicts, Friday Oct. 12.

All extra hours and recess periods seem to be taken up with class meetings.

The discussions in the High School over the political question are quite warm.

### Inebriate Endowment Fund Association.

This organization is organized on purely humanitarian lines and has no further connection with The Keeley Institute than to use that Institute as a means to achieve the end for which this organization has been formed.

Its purpose is to extend a helping hand to such men who are entirely or in part unable to pay their expenses at this Institute.

Its funds are to be derived from the voluntary contribution of One Dollar (\$1) from each present patient who can afford to make such donation, and from each subsequent patient who is like condition, or from any former graduate of this Institute who cares to interest himself in this work.

The method of such collection shall be through the medium of a financial secretary who shall be appointed by his predecessor, as such predecessor's time expires.

The funds of the organization shall be turned over weekly by the financial secretary to the permanent financial agent, which shall be the Bank of Dwight.

The beneficiary under this fund shall be required by the Bank of Dwight to execute his promissory note for such amount as is necessary to defray his expense at the Institute with the understanding that this amount shall be repaid by remittance to Bank of Dwight in such sums as that beneficiary may be able to pay.

Any present member of this Institute, or any subsequent member, or any prior graduate of this Institute contributing to this fund shall have the privilege of recommending to the Advisory Board, which shall consist of the three present physicians, or their successors, any indigent friend whom they know and whom they can recommend as being deserving of this treatment.

These names in the order in which they are received, shall be entered on a book by the Advisory Board, and as the fund accumulates each man will be notified to come on and take this treatment.

There are no social features, or outside expense such as salaries, connected with this proposition. Each dollar paid to the fund shall be applied solely to the purpose of redeeming some unfortunate man.

Remittances from former graduates of this Institute should be made to the Bank of Dwight, and due report of same should be made to gentleman acting as financial secretary at that time. Notice of such remittance to Bank of Dwight should also be addressed to Financial Secretary, Inebriate Endowment Fund Association, Dwight, Ill.

### DONATIONS OR ENDOWMENTS.

As Hospitals, Universities, Colleges, Libraries and other Institutions, educational or eleemosynary in their character, are frequently remembered by contribution or endowment by their wealthy friends, there is no reason why this should not be similarly favored.

To provide for such cases, anybody may become an endowment member by contributing any sum in excess of One

John Lightholder and Jesse Perry commenced work in the High School, this week.

### GRADES

Mrs. Bovik visited the Eighth Grade Wednesday afternoon.

Miss Josie Fisk has charge of the singing in the Third Grade.

Mr. Eugene Flagler offers a knife as a prize, each year, to the scholar in the grades who does the best work in all the branches and receives the highest general average during the entire year. Miss Helen Keeley of the Second Grade received the prize last year.

The Fourth Grade has a large list of those neither tardy nor absent during the month of September: Edith Bartholic, Elsie Bartholic, Nellie Bagnell, Myrtle Brown, Frances Breen, Cora Cowen, Glendora Cooke, Sadie Gibbens, Lena Hansen, Ella Jacobgaard, Olive Jordan, Caroline Korner, Lura McLane, Ella Mickleson, Mary Nelson, Carrie Reeg, Emma Scott, Beryl Vickery, Clarence Boyer, Ellsworth Drew, Howard Fisk, Allen Griffith, Tommie Judge, Ray Pearre, Donald Palm, Willie Short, Bennie Stren, Johnnie Tock.

Dollar (\$1). This contribution should be sent to the financial agent, the Bank of Dwight, and a notice of such contribution sent at the same time addressed, Financial Secretary, Inebriate Endowment Fund Association, Dwight Illinois.

Alex Kanz relieved of over \$50.

### Odell Outlook.

Alex Kanz had a hold up experience on Saturday night that he will not soon forget. After having been in town all afternoon he started for home on foot at about 9:30 in the evening, after going a few rods south of Austin's livery stable he heard a rig coming just behind him, as they came up the occupants asked him to ride, on his refusing four men jumped out of the spring wagon and confronted him, one with a revolver and another with a razor, Mr. Kanz knocked one of the men down and hit another, but before he knew where he was at some one had his arms behind him and another one went through his pockets securing \$52.25. After getting the money the robbers released him, he returned to town where he notified city marshal J. McGreevy who went to Grimes barn and got Wm. Grimes and a team and drove to Cayuga but not finding any one there started back to Odell, on reaching the steam shovel he met Arthur McDougall who he placed under arrest on suspicion and drove on to Odell stopping at the depot where he left McDougall in charge of Grimes, and went to look for Deputy Sheriff C. H. Hoke who was in town, he soon found him with Deputy Chas. Upham. The three officers searched the prisoner finding \$8.45 in his trousers pocket, one \$5 bill and a \$2 bill being loose in his pocket.

McDougall told the officers that Albert Smith and John Peterson were with him. Deputy Sheriff Upham, City Marshal McGreevy, Wm. Grimes and John Deyo went to Cayuga and arrested them returning to Odell about 4 o'clock in the morning. Upham arrested Chas. Charleston Sunday afternoon on conviction given by the other three prisoners. The prisoners were taken to Pontiac Sunday afternoon where they were placed in the county jail. They were tried before Justice Loderback Monday and Tuesday and bound over until the January term of court, under \$500 bonds. Peterson turned states evidence and was released. McDougall was released on bond. The evidence showed that Clark Baker was one of the gang engaged in the hold up but he disappeared and has not been located since.

It has been predicted and predicted for years that the Modern Woodmen society would never skip another assessment, but in the face of it all, "no assessment" for October is announced in the last number of the official organ of that Order. If the October assessment was made and placed in a reserve fund it would not have been a hardship to anyone, and would have been a big thing for the order. A graded assessment or reserve fund must be adopted in the Woodmen soon.
