## NEIGHBORING NOTES.

### Braceville.

Mrs. Pope, of Gardner, spent Saturday with Mrs. Delos Pope.

Hal Draper, of Whiting, Ind., is in town, visiting with friends.

Miss Lizzie Peregrine made a business trip to Gardner Saturday.

Mrs. Thomas Reed and Mrs. Ted Spire were Joliet visitors Sunday.

Robert Miller and family, of Coal City, were in town Saturday evening.

Miss Rafferty, of Essex, is visiting with her sister, Mrs. Thomas McGovern.

Mrs. W. H. Reitzel visited Sunday and Monday with Geo. W. Reitzel and family.

Mrs. Col. Jeffers, of Gardner, visited with her mother, Mrs. Evan Davis, Saturday.

The business houses and residences were nicely decorated Saturday night.

Flags were floating in all parts of town.

A rousing republican rally was held here Saturday night in the opera house.

The hall was packed to the door with an enthusiastic crowd of people, which was unstinted in its applause of the eloquent remarks of the speaker in lauding the history of the republican party and the unsurpassed and unequalled prosperity and good times that have prevailed as a result of the policies of that party.

Through some misunderstanding, Mr. Cannon failed to be present, he having an engagement at Kankakee, which could not very well be cancelled. The vacancy was filled by Mr. McFarlan, of Iowa.

### Gardner.

Anna Lutz, of Chicago, spent Sunday with her parents here.

Byron Jones, of Gardner, visited the corn palace in Peoria this week.

Scott Armitage, who has been very sick for the past three days is still very low.

Harry Underwood spent Sunday with his parents, Mr. and Mrs. C. C. Underwood.

Mrs. Theo. Cowles, of Wisconsin, who is sick with the typhoid fever at the home of Geo. Smith, is slowly improving.

Louis Chase, who has been working at Coster for the past two months, has severed his connection there and gone to Kankakee.

News was received here Saturday of the death of Hal Edwards, an old resident of Gardner, at his home in Normal, with typhoid fever.

The rally here Monday was a big one and was addressed by Congressman Hopkins. He made very able speeches both here and in South Wilmington, and the prospects are good for an increased republican majority.

### Pontiac.

Mrs. Bradford, who has been entertained by Wm. Jenkins and wife, has returned to Springfield.

Hon. C. C. Strawn is making republican speeches this year. There are cases where we are pleased that "the cat came back."

The Pontiac republican show started out with their big tent Tuesday and held meetings at Waldo and Pike Wednesday, and Eppards Point Thursday, Avoca Friday and to-day at Owego.

There were good speakers at all places and excellent music and the political questions of the day were illustrated by stereopticon.

The Pontiac republican club has been kept pretty busy since its organization, having been nearly all over the country and have just commenced.

They went to Dwight Saturday night about 150 strong and had a fine time.

They report an immense crowd. They went to Streator Monday night about 200 strong on a special Wabash train.

The democratic claims are enough to make a cigar sign smile, when everyone knows, democrats and all, that Livingston county will give an increased majority for the whole republican ticket.

Nearly every farmer in the county who is not for the democratic party and Bryan, right or wrong, will vote for a continuance of prosperity, and no kind of bulldozing will keep them from it.

The Australian ballot law will make the republican majority this year surprising.

### Cardiff.

Mrs. Prices sister of Coal City visited her this week.

The Frye family moved to Coal City the first of the week.

Reports from the mine are that they are working most of the week.

The Williams family have moved into the house formerly occupied by the Frye family.

The rally at this place Wednesday night was a success, for the first rally that Cardiff has had, may be remembered with some satisfaction.

The parade formed in front of the hotel and marched entirely around the town.

The towns of Cardiff, Campus and Buckingham were very evident and the Buckingham band furnished the music.

The procession was well supplied with torches and fireworks, and everybody entered into the spirit of the occasion.

The marching clubs of Cardiff and Campus turned out well.

### Campus.

Father Humphrey was in Chicago the first of the week.

There was a big turnout out here to the rally at Cardiff Wednesday.

Bishop Reilly, lately consecrated at Peoria, will be here Wednesday the 17th.

For rent—A good hotel centrally located and in good condition. Address or inquire of Mrs. Conors, City Hotel, Campus Ill.
