Life becomes a round of work but half accomplished, of eating that does not nourish, of sleep that fails to refresh and of resting that never rests. That's the beginning of nervous prostration.

Neoga, Ill., Oct. 14, '09.  
Pepsin Syrup Co., Monticello, Ill.

Gentlemen:—I feel it my duty to express to my gratitude for what your wonderful remedy has done for me. I was completely run down with a complication of stomach disorders. For ten months I could not work and was treated by three eminent physicians. One insisted upon operating on me, declaring nothing short of an operation for appendicitis would cure me. A friend induced me to try Dr. Caldwell's Syrup Pepsin and from the first dose I began to improve, and have not had any trouble since I have gained 25 pounds in weight and am enjoying the very best of health. I never fail to say a good word for Dr. Caldwell's Syrup Pepsin for I know what it has done for me it will do for others.

Gratefully yours,  
Charles Curry.

Goshen, Ill., Genesee Pure Food Co. Le Roy, N. Y. Dear Sirs:—Some days since a package of your GRAIN-O preparation was left at my office. I took it home and gave it a trial, and I have to say I was very much pleased with it, as a substitute for coffee. I've always used the best Java and Mocha in our family, but I am free to say I like the GRAIN-O as well as the best coffee I ever drank. Respectfully,  
ours, A. C. Jackson, M. D.

It is not drying, does not produce sneezing. It soothes and heals the membrane. Price 50cts. at druggists or by mail. Ely Brothers, 56 Warren Street, New York.

"In this age of frequent interchange and mutual dependence, we cannot shirk our international responsibilities if we would; they must be met with courage and wisdom, and we must follow duty even if desire opposes."—McKinley.

Buchanan, Mich., May 22. Genesee Pure Food Co., Le Roy, N. Y.: Gentle men—My mamma has been a great coffee drinker and has found it very injurious. Having used several packages of your GRAIN-O, the drink that takes the place of coffee, she finds it much better for herself and for us children to drink. She has given up coffee drinking entirely. We use a package every week. I am ten years old. Yours respectfully, Fannie Williams.

It Happened in A Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by A. K. Beltzhoover.

"We must guard this restored Union with zealous and sacred care."—McKinley.

**The Whole Truth!**

There's nothing so bad for a cough as coughing.

There's nothing so good for a cough as Ayer's Cherry Pectoral.

The 25 cent size is just right for an ordinary, everyday cold. The 50 cent size is better for the cough of bronchitis, croup, grip, and hoarseness. The dollar size is the best for chronic coughs, as in consumption, chronic bronchitis, asthma, etc.

Perfectly healthy people have pure rich, warm, nourishing blood, good appetite and good digestion. Hood's Sarsaparilla gives these, and thus it makes people healthy and keeps them so. Get only Hood's.

A Fiendish Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. The marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at A. K. Beltzhoover, Dwight, and W. P. Cleary, Odell Drug Store.

"There are responsibilities, born or duty, that can never be repudiated."—McKinley.

"We must follow the light as God has given us to see the light, and he has singularly guided us, not only from the beginning of our great government, but down through every crisis to the present hour; and I am very sure that it is the prayer of every American that he shall still guide and direct us."—McKinley.

"To the youth of the country trained in the schools, which happily are opened to all, must we look to carry forward the fabric of government."—McKinley.

"The personal interest and participation of our citizenship in the conduct of the government make its condition always absorbing and interesting."—McKinley.
