We have a fine farm of 212 acres one mile from Dwight for sale on easy payments or will trade you for land around Dwight.—Romberger & Smith. Reader and violinist, whenever Miss Gilbert has appeared she has made a good impression as is evidenced by the kindly expressions from the press, and some of the most celebrated men of the country. Many people worry because they believe they have heart disease. The chances are that their hearts are all right but their stomachs are unable to digest food. Kodol Dyspepsia Cure digests what you eat and prevents the formation of gas which makes the stomach press against the heart. It will cure every form of indigestion. A. K. Beltzhoover, Druggist.

Miss Nellie Burke was a Chicago visitor Saturday and attended the rally. A cross in the ring at the left of "Republican" means a vote for progress and prosperity. Dr. Bergman's successor, Dr. J. W. Calvert and family will arrive in Dwight this week. No voter should pay any attention to dirty lies or insinuations at the last minute. Eleventh hour politics are generally bad. Many Dwight people attended the great rally at Chicago last Saturday and they returned reporting that the parade was glorious. Misses Annie and Lillian Christesen and Henry Christesen attended church at Loretto Sunday, and spent the afternoon with friends in Saunemin. Mrs. Thos. Weldon's gray horse disappeared hallow'een night and has not been heard from since. Any information will be thankfully received by her or at this office. Mrs. Everett Davis and the children, who visited at Downie's Grove for several weeks, returned home Sunday night. Everett Davis accompanied them on their return. Every loyal, patriotic citizen, should vote for the soldiers monument next Tuesday, and honor the dead soldiers of the war of the rebellion. Dwight voters should not forget this important matter and show up well in the total vote. Separate ballots are prepared for this as well as for the ladies. We hereby wish to express our most heartfelt thanks to the Odd Fellows, the Danish Brotherhood and to all who so kindly and thoughtfully rendered their services to us in our late and sudden bereavement, the death of our brother, S. P. Sorensen.—Mr. and Mrs. Peter Olson. Dr. R. Broughton has resigned from the medical staff of the Leslie E. Keeley Co., and will soon remove to Broadhead, Wis., his old home, and once more go into general practice. The doctor has been with the company for about eight years, and most of the time has had charge of the drug patients, and has thousands of warm friends all over the country. The doctor and his family have formed many warm and lasting friendships among our people and they will be greatly missed by all our people. Will Broughton, the eldest son, has a good position, in Washington, D. C. and will be here next week, and James now has a good position in Salt Lake, Utah. Dr. Broughton's resignation took effect the first of November.

They're off Election returns at Sons of Veterans hall. I am prepared to clean all kinds of gloves by a thorough and up-to-date process. Leave your gloves that need cleaning at Mrs. C. A. Cooke's. We have a beautiful residence in Dwight, cost \$8,000 that we will sell for \$3,500. Come quick and see us about it.—Romberger & Smith. Dr. S. H. Potter hopes the public will show his successor, Dr. H. E. Lehr the same kind consideration they have shown him. Dr. Lehr is up-to-date and thorough in his work. Hon. George W. W. Blake, of Ottawa, democratic candidate for the legislature in La Salle county, dropped dead after a speech at Dana Saturday night, the cause being apoplexy. He was a good lawyer and is highly spoken of by his neighbors and friends. Every man who works for the farmer no matter what he is doing—building corn cribs, husking corn, general work or tilling, should realize that the amount of work he gets depends upon the prosperity of the farmer. More tilling is done when good prices prevail than when times are hard. I wish to express my gratitude to all my friends for the liberal patronage I have experienced in my practice here in Dwight and for the kindness shown me and my family in so many ways. I am happy to say that only pleasant memories will follow to my new field of labor and brighten our new home.—Dr. N. Bergman and family. It has been variously reported that Hershall Hagerty has been hired by the C. & A. railroad and by the city to protect the school children at the railroad crossing at Mazon avenue. The truth is that Mayor Oughton had Mr. Hagerty sworn in as a special police, and The Keeley Co. is paying him "or his work. Already good work has been done, and our people we feel sure, will feel very thankful to The Keeley Co. for their thoughtfulness and liberality. Charlie Egbert, of Streator, city attorney, and quite well known here, was arrested in Pontias Friday night for blowing a horn during the street parade, by the democratic police force. It might be said that the democratic police of Streator did just as bad at the close of their big rally. They came to the C. & A. depot and told the Dwight crowd if they cheered any more they would run them in. When a police force gets so small that they can't overlook hilarity during any kind of a political blowout they are too little to live and should put on their golden slippers and climb the golden stairs.
