Good judgment on diamonds are both valuable, but any one can buy diamonds with money.

The most effective little liver pills made are DeWitt's Little Ery Risers. They never gripe. A. K. Beltzhoover, Druggist.

A married man says that he goes to the club because he and his wife being one he gets lonely at home.

Don't use any of the counterfeits of DeWitt's Witch Hazel Salve. Most of them are worthless or liable to cause injury. The original DeWitt's Witch Hazel Salve is a certain cure for piles, eczema, cuts, scalds, burns, sores and skin diseases. A. K. Beltzhoover, druggist.

A small codicil has shattered many great expectations.

Help is needed at once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles. A. K. Beltzhoover, druggist.

The Latest Sore and how it goes is always of interest to some but the condition of one's health should be first in the line of consideration. If you take Dr. Caldwell's Syrup Pepsin you can't have indigestion or stomach trouble. That is certain. A. K. Beltzhoover.

Circus bills promise more than any human can perform.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by A. K. Beltzhoover, d.

No man ever turns a deaf ear to advice that coincides with his views.

New Songs Not Catchy? New play too dull? New opera too long? Why, what ails you? Is it indigestion? Get a bottle of Dr. Caldwell's Syrup Pepsin. It keeps one straight the year around. I buy it at A. K. Beltzhoover's.

Agents Wanted. The Mutual Indemnity Company of Chicago, Illinois, issues the best health, accident and funeral benefit policy in existence. Its protection and cost meet the wants and approval of all. A thoroughly reliable and active agent wanted. Give references and write for full particulars.

Cheap Rates.

There are now very low passenger rates from all points in Illinois to Minnesota, No. Dakota, Montana, Idaho, Washington and Oregon.

These rates are cheaper than ever before quoted from Illinois and they are made with view of settling the country on and tributary to the Northern Pacific Ry.

Land is placed at a very low figure and wonderful opportunities await those who now purchase land if the purchase is made in a good locality, the purchaser could get rich much faster than even the farmer who bought land in Illinois a few years ago.

These cheap rates apply to both one way and round trip tickets and as they may be taken off at any time you should write at once for rates and descriptive publications.

C. A. Matthews, Nor. Pac. Ry., 208 So. Clark St. Chicago.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and a gripe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for a gripe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of a gripe to result in pneumonia." Lady Correspondent Wanted. I want to hear from any lady who has Stomach Trouble. I will recommend Dr. Caldwell's Syrup Pepsin and guarantee it to cure. Yours truly, A. K. Beltzhoover.

**CUBAN POLITICAL LEADERS.**  
These two men are prominent in the politics of Cuba and have been active from the start in the construction of a constitution for the island government. Manuel Sanguilly is the leader of the Republican party and is a debater of unusual powers. Emilio Nunez, also an influential leader, is governor of Havana province.

**FRED DILCHER, LEADER OF MINERS.**  
Frederick Dilcher, or "Big Fred," as he is generally called, is president of the district that includes the eastern part of Ohio and a part of Pennsylvania that is engaged in the great anthracite strike. He has been an active miner since he was 17 years of age, and that he is second now to President Mitchell shows him to be a man of more than ordinary ability. His friends say his predominant characteristic is good humor, which means much.

**A FAMINE INSPECTOR IN INDIA.**  
Lord Curzon says that this last famine is the worst that India has ever suffered. It covers an area of 45,000 square miles and a population of 90,000,000 is affected. Every exertion has been made by the government and the missionaries to lessen the horrors of the famine and the whole Christian world has contributed to their support. The illustration shows an inspector, accompanied by his servants, sent out by the Christian Herald to make a report upon the conditions in certain of the famine camps.

Christmas Day comes on Tuesday. Now is the time when croup and lung troubles prove rapidly fatal. The only harmless remedy that produces immediate results is One Minute Cough Cure. It is very pleasant to take and can be relied upon to quickly cure coughs, colds and all lung diseases. It will prevent consumption. A. K. Beltzhoover, druggist. The reason people become insane is because of their lack of reason. DeWitt's Little Early Risers are daily little pills, but they never fail to cleanse the liver, remove obstructions and invigorate a system. A. K. Beltzhoover Druggist.
