The Union Revival meeting conducted by Rev. B. Shaw and wife in the U. E. church is growing in interest. The afternoon meetings are seasons of refreshing and special anointings. Many have received their Pentecost, while sluggish believers have been greatly revived and a general move toward God, is what we are praying for and expecting. Brother Shaw and his wife are cautious, spiritual and thorough. We invite you to these services and will deem it a privilege to pray for you. We are expecting an out pouring of God's spirit that will bring our beloved ones, friends and neighbors to God. Special prayer is offered daily for the Church of God. We desire to see her be what Christ prayed for in John 17, verses 22-23. Several, the last few nights have manifested a desire to forsake sin and follow God. The meetings will continue every night through the month of January. Seek the Lord while he may be found, call upon Him while He is near.
