For the Hair

Are you so fortunate as to be well satisfied with your hair? Is it long enough, thick enough, rich enough? And your hair does not fall out? Well, well, that is good. But you may know of some not so fortunate. Then just tell them about Ayer's Hair Vigor. They will surely thank you after using it, if not before. Remember, it does not color the hair. Show the list of ingredients to your doctor. Let him decide their value. He knows.
