We are all well and trust that our many friends in Dwight are the same." An interesting meeting of the Congregational Brotherhood was held in the church parlors last Monday evening. A profitable and instructive talk on the Parcels Post was given by Prof. C. A. Brothers and considerable interest was manifested in the subject for general discussion. "Should immigration continue under present conditions." A fine lunch was served and the whole meeting was very thoroughly enjoyed by those present, about thirty in number.

Order Your 1912 Hudson Now

1912 Torpedo—\$1600 Complete

The 1911 Hudson season practically closed in April as the yearly output of the Company was sold at that time and they were compelled to refuse acceptance of any more specifications for cars.

At the close of the 1911 season the Hudson Motor Car Co. had delivered more than 10,000 automobiles. They had on hand orders for approximately 2,000 Hudson "33's". These had been carried over for two months prior to the close of the season when they were compelled to refuse additional orders for 1911 delivery. But buyers and dealers left their specifications on file to assure their receiving early deliveries of the 1912 models.

The above expresses the tremendous popularity of the HUDSON "33"

If you are interested in the purchase of an automobile, we invite you to call at our garage, inspect the merits of the Hudson and let us give you a thorough demonstration. While attending the auto show be sure and look at the different models of the Hudson on display.
